BIRTHDAY TREE PLANTING FEBRUARY REPORT – GLOBAL GIVING
Project Number: #58012

Students from Hangoni and Mutuka Secondary Schools gathered at Mutuka Secondary School to hear the initial introduction to the Birthday Tree Planting (BTP) project before launching their respective BTP clubs. Following the introduction, each school established its own club.

Teachers and students, members of the BTP Club, along with animator Mr. Erick Simbert Tushabe from TAJPI, gathered at Mutuka Secondary School to celebrate a teacher's birthday. The celebration included a cake-cutting ceremony following a tree-planting activity

Madam Leilah, a teacher at Mutuka Secondary School, celebrated her birthday by planting trees. Mr. Erick, a BTP animator from TAJPI, explained the concept of ecological conversion, emphasizing tree planting as a way to thank the Creator for the gift of life and its sustenance. Students and teachers witnessed the event and congratulated Madam Leilah on her special day.
