

# ROJO MANOHISOA

## OUR MISSION

**Contributing to poverty alleviation by addressing issues related to education, nutrition, gender-based violence and environment.**

### ROJO MANOHISOA AT A GLANCE

- education opportunities
- fight against malnutrition
- fight against gender-based violence
- environment protection
- youth empowerment

Contributing as one team

Offering education opportunities

February: a new school was built

March: 435 more students got sponsored

## Youth empowerment

**May: 17 young people were provided with training on entrepreneurship**

## Fighting malnutrition while caring for the environment

**April: 1500 fruit trees and vegetables were grown to assist in providing meals to the underprivileged students**

## New opportunity for youth

**July: We also innovated, using technology by providing 20 additional underprivileged youth with training on the use of internet to increase employment opportunities for young people that are victims of gender-based violence.**

A better life, a better world

*THANK YOU  
EVERYONE!!!*
