ULUSLARARASI MAVİ HİRAL İNSANİ YARDIM VE KALKINMA VAKFI INTERNATIONAL BLUE CRESCENT RELIEF AND DEVELOPMENT FOUNDATION

For more than 24 years, International Blue Crescent Relief and Development Foundation (IBC) has been reaching out to people around the world who are struggling to access emergency relief, healthcare, education, and rehabilitation services. IBC serves people engaged in its programming without discrimination of any kind.

IBC works in collaboration with local communities, NGOs and national authorities to deliver targeted, meaningful programming, particularly in the areas of gender equality, emergency relief, reintegration into society, and sustainable development. Leveraging relationships with universities, international research centers, and global donors, IBC is able to combine technical expertise, a broad range of resources and long-standing experience in the field to drive change and support the fundamental rights of all.

IBC is a Special Consultant of the UN Economic and Social Council (ECOSOC) and a member of the International Community of Volunteer Associations (ICVA).

Since its creation, IBC has been and remains committed to effecting long-lasting, locally driven development in the pursuit of fairer, more equitable living conditions for us all.
