

Campaign Objectives

Objective One

Expanding our lines

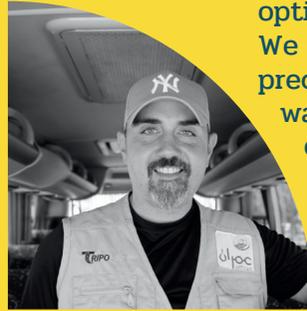

By expanding our lines, we aim to bridge gaps, linking neighborhoods and communities that have long sought dependable transportation options. This objective is not just about buses; it's about forging stronger connections, breaking down barriers, and making sure that every corner of Tripoli is seamlessly accessible.

Objective Three

Increasing our fleet

As our fleet increases, we'll amplify the choices available to the passengers, providing more options for their daily commute. We understand that time is precious, we aim to minimize waiting times and enhance the overall convenience of transportation.

Objective Two

Maintaining affordable pricing

We understand the challenges many face in a world of rising costs. By keeping affordable, and non-profitable pricing across all our lines, we're allowing individuals and families to commute with ease, whether it's for work, education, or leisure.

Objective Four

Digital Solution

Through real-time tracking, a user-friendly mobile application, live call support, and more, we're putting technology to work for passengers. We believe that every ride should be seamless, comfortable, and tailored to the passengers' needs.

Together we reach farther

Our Story

Tripoline, established in 2022, is revolutionizing transportation in Tripoli, Lebanon. Our focus is clear: to establish a dependable and sustainable public transportation system that enhances accessibility, affordability, and community welfare.

Tripoline offers seamless connections across neighborhoods, businesses, schools, and healthcare facilities.

Our values:

- » Excellence
- » Safety
- » Convenience
- » Sustainability of the community

Currently, we operate two main lines—the Tripoli-Koura line and the Tripoli-Mina line. Additionally, we cater to the needs of Lebanese University students during their study seasons.

Campaign Introduction

With a population of around 500,000, Tripoli is an economic center facing road congestion, limited access to services, and environmental challenges. We're raising funds to establish a reliable and sustainable public transportation system that enhances accessibility, affordability, and community welfare. Together, we can reshape Tripoli's mobility landscape for the better.

By contributing to our crowdfunding campaign, you'll directly impact Tripoli's well-being, economy, and environment. Help us provide reliable, affordable transportation to all residents, enhance mobility, and create a more inclusive, sustainable city.

FAQs

TRIPOLINE'S CROWDFUNDING CAMPAIGN

What is Tripoline, and what is its mission?

Tripoline, a non-profit initiative by Omran, aims to improve affordable and sustainable public transportation in Tripoli, with a mission to enhance services, reduce pollution, and promote a more connected and eco-friendly community.

Why is Tripoline launching a crowdfunding campaign?

Tripoline is launching a crowdfunding campaign to expand and improve transportation services. We plan to buy new buses, implement digital solutions, and involve the community in our efforts for a positive impact.

How will the funds raised through the campaign be used?

Campaign funds will improve buses, infrastructure, and overall service quality. Some funds will also support job creation and economic growth in the community.

What are the specific improvements and enhancements planned for the transportation services?

The campaign seeks to fund improvements like new routes, eco-friendly buses, advanced ticketing systems, and better passenger amenities.

FAQs

TRIPOLINE'S CROWDFUNDING CAMPAIGN

How can I donate to the crowdfunding campaign?

Visit our crowdfunding page on [Global Giving](#) to securely donate online or use other preferred payment methods by filling out our [Google form](#). Detailed instructions can be found on our website: <https://tripoline.org/Donation>.

Can I donate anonymously?

We respect your privacy and offer the option for donors to contribute anonymously on both the Global Giving platform and our donation form.

What happens if the crowdfunding goal is exceeded?

Our crowdfunding campaign has a goal of \$100,000, but if we surpass this target, the extra funds will be used to further improve and expand our services, potentially adding more routes, increasing bus service frequency, and implementing additional sustainability measures.

Is there a deadline for the crowdfunding campaign?

The crowdfunding campaign is set to conclude in April 2024. If the designated goal of \$100,000 is not reached by this deadline, it may be extended. We encourage you to contribute within the campaign timeline to maximize its impact in achieving our objectives.
