Introduction:

Mary, 7-year-old orphan (Top class 2023) promoted to Class 1.

This report provides an update on the Orphan Sponsorship project in Rumbek, which aims to support orphaned children by providing them with access to education. This report serves as a follow-up to the initial report submitted in September 2023.

Project Activities:

Angelina, 8 years old orphan, (Top class 2023) promoted to class 1

In April of last year, we successfully enrolled five orphaned children into primary school through the Send an Orphan to School initiative. These children were placed in various classes, including Top Class, Class One, and Class Two. To make this possible, we relied on the generous contributions of our donors, who showed their support by raising a total of \$300. These funds were utilized to cover the school fees, uniform expenses, and scholastic materials for the orphaned children.

Progress and Achievements:

John, 10-year-old orphan (Class 1, 2023) promoted to class 2

We are delighted to share that the orphaned children enrolled in the project have shown impressive progress in their academic journey. Their dedication and hard work have yielded excellent results, resulting in their successful promotion to the next grade levels. This achievement is a testament to the positive impact that this project has had on their education.

Call to Action:

Stephen, 12-year-old orphan (class 2, 2023) promoted to class 3

As we embark on another year, we humbly request our dear donors to continue their support and sponsorship for these children's education. Your ongoing contributions are crucial in ensuring that these orphaned children do not miss out on the opportunity to continue their education throughout 2024. Through your support, we can make a lasting impact on their lives, offering them a chance for a brighter future.

Conclusion:

Luka, 5-year-old orphan, (Top class, 2023) promoted to Class 1

The Orphan Sponsorship through Send an Orphan to School project in Rumbek has made significant strides in providing education to orphaned children. With the support and generosity of our donors, we have successfully enrolled five children in primary school, covering their educational expenses. These children have demonstrated exceptional progress, leading to their promotion to higher grade levels. As we move forward, we appeal to our donors to continue supporting these children's education, ensuring that they have the resources and opportunities they need to thrive.
