## REPORT DECEMBER 2024 TO MARCH 2025

**Kigali, 08<sup>th</sup>, May 2025**

**PROJECT: Food support to 400 Vulnerable orphan children's families to grow vegetable gardens in Rwanda.**

### Introduction

This project consists of funding 400 small vegetable gardens for 400 orphans' families in Rwanda.

It is observed that out of 400 vegetable gardens, 21 are provided through the support of the Global Giving from April 2023 to 30 November 2024 and 366\$ are fundraised from the Global Giving Platform.

### Realization in the period of December 2024 to March 2024

This project has not received a donation from the Global giving platform, but received some local contributions amounted of 120\$. With this amount the organization has seeds to use in the following season in small vegetable gardens once other money for technical support will be mobilized to cultivate 4 additional Vegetable gardens.

As well as our target is to realize 400 vegetable gardens to 400 Orphan vulnerable children's families, this means that out of 400 vegetable gardens, we provided 21 and the fundraising process continues to provide the 379 remaining vegetable gardens.

We thank everyone for supporting this project in general and the Global giving in particular. Because of your support 21 families of vulnerable orphan families thank God because they're getting something to eat and survive.

Thank you
