Home-Based IT & Coding Class for Afghan Girls

Your generous donation will help provide essential supplies for girls enrolled in our underground home-based IT & Coding courses.

$10 - Provides a student stationary for a month
$50 - Provides a student with transportation for a month
$100 - Buys a laptop for a student
$250 - Educates a student each month

Courses run for 3-6 months depending on the focus. We currently have 3 home-based centers in operation serving over 100 students continually.
