The instance of GBV in our Metro is growing alarmingly. We at Healing Hands have a Shelter that we would like to utilize as a Safe Haven for Women and Children that endure abuse either daily or once off. We offer counselling, rehabilitation for substance abuse, skills development, etc to ensure that our Women and children have a safe and fair. chance at life!

**Visit our FB page or contact us for details on how you can help! Healing Hands Community Project**

**Help us create a SAFE HAVEN to protect our WOMEN & CHILDREN from these ATROCITIES**

**Let's Work TOGETHER to Ensure the safety of our Women & Children**
