

Biggest difficulties

Name of the organisation	Country	Description	Travel cost budget	Already raised funds	Missing funds
Single Leg Amputee Soccer Association	Sierra Leone	<p>Delegation of young amputee football players, victims of the landmines left by the civil war</p> <p>The delegation needs to travel to Guinée Conakry to ask for their visa. These costs add up to high flight costs. The total travel budget equals the yearly budget of the association (which is of 30k USD).</p>	25.700 USD	10%	23.130 USD
Asociacion Civil Los Pioneros	Peru	<p>Los Pioneros are a relatively small grassroots organisation in the region of Callao, close to Lima, Peru. They operate in an environment of extreme poverty and violence, using football to induce a positive change in the surrounding neighbourhoods.</p> <p>The delegation travel costs, which are massive for a small grassroots organisation such as Los Pioneros. Support is greatly needed.</p>	26.342 USD	10%	23.708 USD
Asociacion Civil Andar	Argentina	<p>In this moment, NGOs in Argentina are having a difficult time. Since the government has changed a few months ago, an ultra-liberal government has cut all public funding for grassroots organisations. The organisation has seen major funding</p>	48.000 USD	40%	29.000 USD

		<p>cuts and has given up on public funding for the trip. Therefore, help from the private sector would be more than welcome.</p> <p>The organisation works on the inclusion of young people with intellectual disabilities and will send a delegation including the most deserving young people.</p>			
Futebol da Força	Senegal	<p>Focus on our delegation: it is composed of girls and women coming from different neighbourhoods in Senegal and because of their passion and talent for football, practising their passion in Yenne Football Academy for girls and Dakar Sacré Coeur Football Club.</p> <p>These girls come from low-income families, facing daily challenges to live a life they value.</p> <p>Their resilience and life paths are incredible, and we are proud to be a part of their journey to make them aware of their value and untapped potential.</p>	10.000 EUR	10%	9.000 EUR
Angaza	Kenya	<p>Angaza is a community and youth driven Non-Governmental organisation (NGO) based in Thika, Kiambu county (Kenya). The organisation combines sport and play for social change, currently they are using football, handball and table</p>	9.954 EUR	10%	8.959 EUR

		<p>tennis combined with education-based movement games to engage children and young people on environmental awareness, SRHR, Mental health, youth leadership, youth employability, social enterprise, digital literacy and gender equality.</p> <p>Supporting the 8 delegates means inspiring thousands of young people from disadvantaged communities through Olympics and Paralympics values.</p> <p>The travel costs represent a significant part of Angaza's yearly budget.</p>

In difficulties

Nom de l'association	Pays	Description	Montant	That represents xx% of total funds necessary	Missing funds
League of Tolerance	Ukraine	For obvious reasons, the participation of the delegation is exceptional and challenging. Most of the delegation members live by now in exile and will be travelling from different places in Europe. Those still living in Ukraine will first need to travel to a neighbouring country (Poland or Hungary) in order to be able to board a flight (as air travel is suspended in Ukraine).	2.400 EUR	50%	1.200 EUR

		The association has encountered enormous difficulties in fundraising, as in Ukraine no funds are available at this point.			
Youth Sport Uganda	Uganda	<p>Youth Sport Uganda (is a locally founded NGO that delivers sport for development sessions to vulnerable young people in Uganda using a multi-sport approach Sport is used by YSU to promote gender equality, psychosocial well being, inclusion, and community cohesion in Ugandan refugee hosting communities.</p> <p>The organisation has been able to fundraise 20% of the travel costs locally, but is still looking for the remaining 80%, equalling 10.160 USD.</p>	12.700 USD	20%	10.160 USD
Boston Scores	USA	<p>Boston Scores is primarily serving youth through Boston Public Schools. They thus cater to a diverse demographic where 91% are students of color, 48% speak a language other than English at home, and 70% are economically disadvantaged.</p> <p>The organisation has secured 50% of their funding and struggle to find the matching 50% to make sure that all young people can take part.</p>	20.000 USD	50%	10.000 USD
Yuwa	India	Yuwa works in a remote and rural part of India, a place where most girls drop	11.000 USD	10%	9.900 USD

		<p>out of school and become child brides. The girls in Yuwa do not get opportunities to interact with athletes from other places, much less other parts of the world. By participating in Festival24, the eight young women from Yuwa's delegation would significantly broaden their horizons, bring pride to their families by having a daughter travel internationally, share their culture and ideas with other young athletes from around the world, and expand their own goals for the future by witnessing a world of possibility.</p>			
Creating Chances	Australia	<p>Targeting young people (13-19) and children (9-12) from diverse backgrounds, including Pacific Peoples, Aboriginal and Torres Strait Islander peoples, Middle Eastern refugees, and recent humanitarian immigrants, Creating Chances and Football United address challenges such as disadvantage, social isolation, and the risk of disengagement. Tailored programs also target specific segments within this group, including females and refugees.</p>	36.000 EUR (equals 60.000 AUD)	30%	<p>24.000 EUR</p> <p>Creating Chances is asking half of the missing budget, so 12.000 EUR (equals 20.000 AUD and represents 30% of the total travel budget) from Visa</p>
