

The background features a solid blue color with a series of white, wavy lines that create a sense of movement and depth. The lines are most prominent on the right side, where they form a large, rounded shape that tapers towards the left. The overall effect is modern and dynamic.

This means we have also been able to secure a landed property, fenced it from the special donation from the Global Giving to build the center of our dream so as to rescue more girls especially the traumatized victims of insurgency in Nigeria who are presently in dire need of help

BENEFITS OF THE ABUSED SHELTER

•This abused shelter is servicing these 6 states in Nigeria. The center is one of the few in Nigeria and so it is a center of attraction from several states that don't have shelter for survivors of violence against women and girls. We are already becoming overwhelmed by the numbers of the people that are seeking to coming to the shelter

SURVIVORS OF RAPE AND ABUSED ALREADY AT THE CENTER

Opeyemi was rescued with her baby on the street. After being raped impregnated & by his step father, she was pushed to the street to beg to eat. She sleeps in a dilapidated building that could collapse anytime. She is now safe at the shelter and her baby

HOUSE OF OPEYEMI BEFORE RESCUE

This was the front of the dilapidated house where Opeyemi was living alone with her baby. The people in the community was very happy when she was rescued

DOYIN WHEN SHE WAS RESCUED

Doyin was 8 months pregnant when she was rescued. She can put to bed at any time from now. She was sold to a woman who gave her to her lunatic son to sleep with. Series of wound of knife was over body which was the handwork of the lunatics man she was forced to live with. At a tender age of 15, she has lost one pregnancy before this one. She is now safe at our shelter

THOUSANDS OF DOYIN AND OPEYEMI STILL OUT THERE

The like of Opeyemi and Doyin especially the traumatized victims of insurgency are still out there getting no help.

WOMEN INSPIRATION DEVELOPMENT CENTER OF OUR DREAM

Poverty in Nigeria has a girl's face! This is the center of our dream, where we will be educating, empowering and employing girls living in extreme poverty in Nigeria and setting them on the path to become active leaders for social change

CONFIDENT GIRLS PROGRAM SUCCESS SO FAR

- **More voices against sexual harassment in our institutions. Girls now team up to say NO to sexual harassment unlike in past when they are isolated and harassed and abused.**
- **More independent minded girls with leadership initiatives.**
- **More activists in our online and offline spaces in Nigeria**

HELP US TO DO MORE!!

Fund is the only thing that can stop us! To continue to run our shelter successfully we need \$15,000 per year. To put the center of our dream in place will cost us \$55,000
