

Phase 2 is really exciting as it makes room for ten more mothers and their babies. The expansion includes adding a staff bathroom for our live-in caregivers to have their own bath and shower, a dining room and tables for up to 30 mamas, 30 babies, and eight staff, adding a covered patio area for overflow dining tables, self-defense classes, visiting and play area, and remodeling two bathrooms to accommodate pregnant mothers. The cost for construction, modifications and all furnishings for phase 2 is: **\$22,370\***

*\*Phase 2 cannot receive the girls and their unborn babies until Phase one is complete*

- Bedroom # 2 & 3
- Three full baths (2 for the 10 mothers and one for staff)
- Covered Patio for tables and play area
- Dining Room

Phase 3 finishes the big house by adding the final bedroom and bath for four mamas and their babies, a staff bed and the living room expansion. We are doubling the size of the living room (not shown in the sketch below) so all thirty mama's and their babies can be together for a movie, bible study and family time.

The cost for construction, modifications and all furnishings for phase 3 is: **\$10,764**

- Living room
- Bedroom # 4
- Full Bath
