**EMPOWERING WOMEN'S WITH
SUSTAINABLE LIVELIHOOD**

PROJECT ACTIVITY REPORT

Empower 500 Women, End Poverty Cycle in Tanzania - #60245 is a Giving for Change (G4C) Initiative that is carried out by Tanzania Social Light Foundation (TSLF) in rural areas of Kisarawe District council, coast region in Tanzania, Africa. This project is designed to empower women economically and psychologically in improving their standard of living by provide three local chickens and training to each of the 500 poor, household affected with HIV/AIDS, Single mothers, yet with poor adherence to treatment due to poor feeding. This will act as a way to empower them start poultry farming for better nutrition and improved income. The beneficiaries will benefit from the eggs, meat and direct sale of the chicken which will supplement on their nutrition and increase on their income levels from the sale of chicken.

The project is determined to support the empowerment of women to achieve their potential to fulfill their economic dreams through various integrated methods, promotion, support, empowerment, and capacity building.

PROVISION OF 15 CHICKEN TO 5 WOMEN IN KISARAWA DISTRICT REPORT

This project has been able to support the provision of We provide 15 chickens to 5 disadvantaged women who are living with HIV/AIDS. Each woman of 5 received 3 chickens. These women are in Mwasoa Group. Mwasoa group is a group of people who are living with HIV/AIDS in Kisarawe District, Coast region in Tanzania.

The Tanzania Social Light Foundation (TSLF) mission to continue to support these women who are in poverty condition. Through this project we hope to support more women who are living in poverty condition in Tanzania and as the results we will improve the lives of many women who are in poverty condition in urban and rural areas in the Country.
