## WOW TANZANIA FEBRUARY 2025 NEWSLETTER

EXCITING NEWS: OUR CHILDREN ARE THRIVING IN  
THEIR NEW SCHOOL UNIFORMS, SHOES AND BAG PACK!

YOUR CHILD NANCY LOOKING GOOD IN  
HER NEW UNIFORM READY TO THRIVE IN  
2025

17 children once faced a heartbreaking reality wearing tattered clothes and shoes that barely held together as they walked to school. Their daily struggles extended beyond just their appearance; they lacked the confidence and comfort necessary to focus on their education. Some of them even feared being sent home due to unpaid school fees, and the thought of having clean water at school was nothing more than a distant dream.

But today, their world has changed, thanks to your generosity and compassion. Through your unwavering support, these children now proudly wear brand new school uniforms and high quality shoes. They stand tall, looking smart and confident, ready to take on their studies with renewed energy and enthusiasm. The joy on their faces is immeasurable as they step into their classrooms, no longer burdened by the hardships they once endured.

For our students preparing to join boarding school, the excitement is even greater. They have received new book bags, equipping them with the essential tools they need for a successful academic journey. With big smiles and hearts full of gratitude, they have promised to study hard, earn good grades, and work toward building a brighter future for themselves and their families.

Your kindness has not only given these children a chance to excel in school but also restored their dignity and self-esteem. You have given them hope. Because of you, their sponsors, they can now dream of a future filled with possibilities. Their parents, too, share in this happiness, knowing that their children have the support they need to thrive.

Thank you for making such a profound impact on their lives. Your generosity has brought smiles, joy, and a renewed sense of purpose to these young students. May you always be blessed for the love and care you continue to show.

## How You Can Help

If you are unable to contribute financially, you can still make a significant impact by sharing our videos and our social media information with your friends and family. Share our information with people at your church, school, work place, or even tour agents @wowntanzania

Our Social Media Links Are Here: [linktr.ee/wakefulnessngo](https://linktr.ee/wakefulnessngo)

Spread the word about our mission to help these families, schools, and communities. Your support, whether through prayers, sharing, or donating, is invaluable. We are profoundly grateful for those who have come forward to support this cause.

## **THANKS TO YOUR SUPPORT, NANCY, ZUWENA, AND THEIR FAMILY HAVE A SAFE AND COMFORTABLE HOME**

At WOW Tanzania, we are committed to empowering widows and orphans by providing the resources and support they need to build a better future. One of the families we have been privileged to support is that of Nancy and her younger sister, Zuwena. Their widowed mother, Eliamani, faced immense hardships, including lack of support and mistreatment from her own mother.

Thanks to your generosity, Nancy, Zuwena, and their family now have a safe and comfortable home. This transformation has been life-changing, providing them not just with shelter, but with a fresh start filled with hope and security. Eliamani is deeply grateful for the support she has received and expresses her heartfelt appreciation for the assistance that has allowed her to create a stable and nurturing environment for her children.

When we met Eliamani, she and her children were living in a single-room house at her mother's home, where they endured extremely difficult conditions. The space was tiny, completely filled with a bed, cooking utensils, and other belongings, all crammed into a small area. Worse still, Nancy and Zuwena were not treated well and living in an abusive situation—their grandmother would even switch off the lights to prevent them from studying for their exams.

Recognizing their struggle, WOW Tanzania stepped in to ensure Nancy and Zuwena could continue their education.

We provided them with school uniforms, books, and essential stationery to help them focus on their studies. Additionally, we work to empower widows through our self-sustainability program, equipping them with entrepreneurial skills to achieve financial independence.

Eliamani attended our training and is now preparing to receive a loan to start a small business. This opportunity will enable her to provide for her children and create a stable future for them.

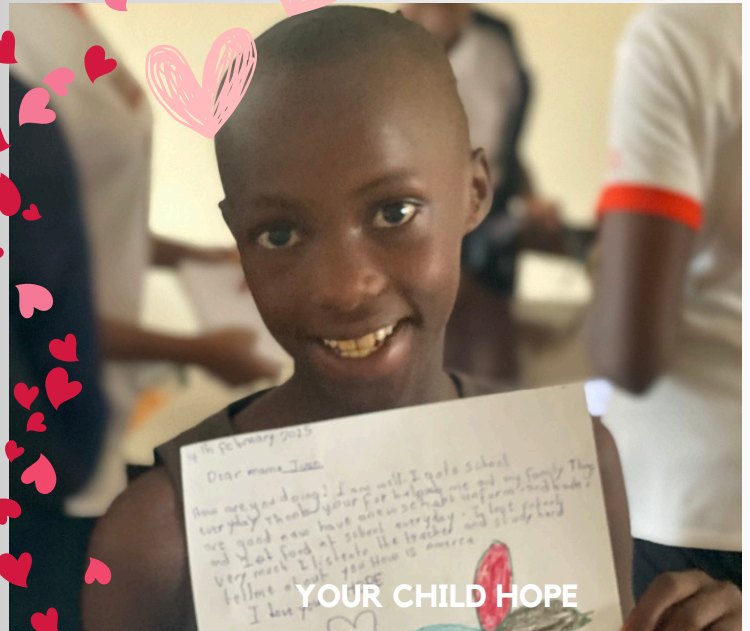

Furthermore, we have helped the family move into a new, safer home—a two-room house that offers much-needed space and security. This transition has significantly improved Nancy and Zuwena's well-being, giving them the stability to concentrate on their studies without fear of mistreatment. Despite the challenges, Nancy remained resilient and dedicated to her education, achieving an impressive Grade B and ranking fourth in her class.

Your generosity is transforming lives, providing hope, and ensuring that children like Nancy and Zuwena have a brighter future. Thank you for being a part of this journey with us.

# WOW TANZANIA CONTINUES TO TRANSFORM THE LIVES OF VULNERABLE CHILDREN.

YOUR CHILD OLIVER

YOUR CHILD HOPE

Currently, we have 17 children in our Sponsor-A-Child program. Despite the hardships they have faced, they are studying hard and achieving impressive results in their exams. Thanks to your generous support, they have the opportunity to pursue their education and secure a brighter future. As a gesture of gratitude, every month our sponsored children write thank-you letters to their sponsors to express their appreciation.

Your continued support of the children is so need. Below, you can see an example of how, when given proper support and upliftment, they can strive for a better future. With the right assistance, these children will be able to support their own families and break free from hardship. As you can see, these test results demonstrate the impact of your contributions—your money is making a significant change in their lives, enabling them to perform well at school and secure a brighter future.

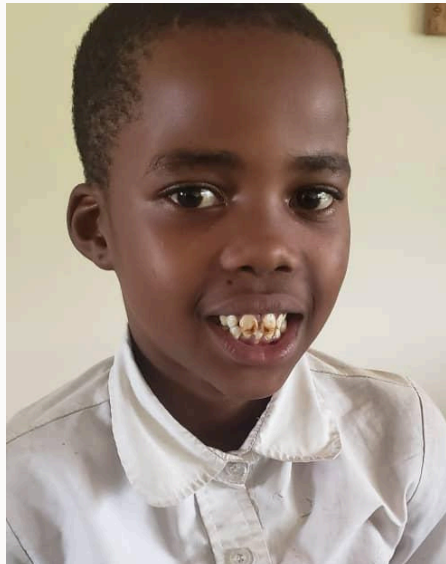

Academic Achievements are as follows:

- Kimandafu Primary School
  - Oliver Samwel (Standard One) got grade C
  - Darius Mkenda (Standard Two) got grade B
  - Hope Elifuraha (Standard Four) got grade B
  - Tunu Samwel (Standard Four) got grade B
  - Nancy Urío (Standard Six) got grade B
- Aziza Mkumbo (Standard One) got grade A
- Leilatu Jamali (Standard Four) got grade B
- 

We are also excited to share that new volunteers will begin working with the children and their parents this year. One is from another NGO and will be providing free IT classes for our children. Another volunteer is a lawyer, who will be giving workshops to both the children and their parents, with a focus on helping them find self-sustainability. There are many more opportunities we will be offering to the children in our programs, and we will keep you updated on these initiatives. Thank you for giving us the ability to change lives.

Your generosity and continued support are transforming lives, providing hope, and ensuring that children like Oliver and Hope have a brighter future. Thank you for being a part of this journey with us.

# WOW's sponsor-a-child program

**JOIN OUR SAC FAMILY: TRANSFORMING LIVES WITH WOW TANZANIA'S SPONSOR-A-CHILD PROGRAM**
