

SPONSOR-A-CHILD

Monthly Report

HEY, HOW ARE YOU?

An update on your Children

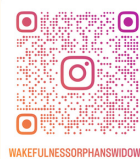

Your Children, Hope, Tunu, and Oliver Looking GOOD!!!

Restoring Hope, One Child at a Time: A Transformative Journey with Your Support

When we first met the children you now sponsor, their lives were in dire straits. Their stories were ones of hardship—many were malnourished, struggling to get enough food to eat at home and even at school. Access to clean water was a rare luxury, even within the school grounds. Their uniforms, if they had any, were in tatters, and countless children went without socks, underwear, or shoes. Some even faced the terrifying reality of being kicked out of school due to unpaid fees.

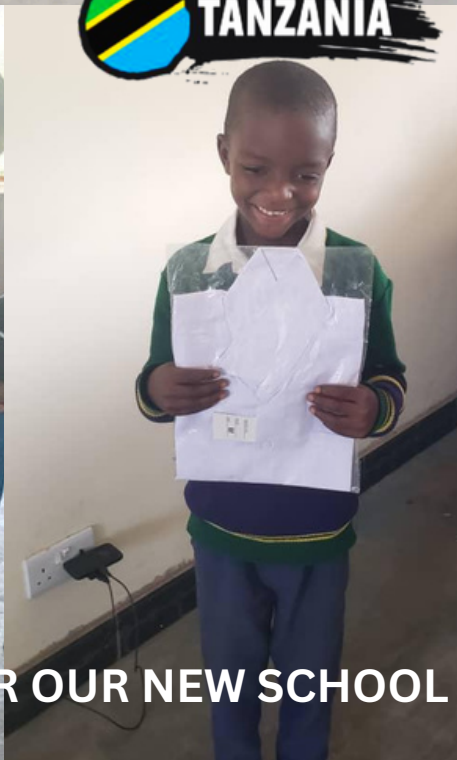

The situation was overwhelming. But today, we are proud to share that because of your love and generosity, everything has changed.

Thanks to your support, we have been able to purchase brand new uniforms for 17 children, transforming not only their appearance but also their confidence. These children now walk into school with heads held high, dressed in clothes that make them feel just like any other student. We've also ensured that all their school fees are paid, so they no longer live in fear of being sent home. These essential steps have opened the door to brighter futures for each of them.

Your Children Zuwena, Nancy, and Doreen are SO HAPPY in their new uniforms!

THANK YOU FOR OUR NEW SCHOOL UNIFORMS !!!

But the impact of your sponsorship doesn't stop there. You've given them the gift of food. No longer do they have to worry about going hungry at school. Thanks to your generosity, they now enjoy a nutritious meal at school every day—something that was unimaginable for many of them just a short while ago. This means they can focus on their studies instead of their empty stomachs.

At home, their families are experiencing a tangible difference too. Through our food program, we've been able to provide their households with access to fruits, vegetables, rice, and beans, ensuring they have the basic necessities to thrive. Access to these resources has made a huge difference in their school performance, well-being, strengthening their resilience and giving them a better chance at a healthier life.

Please see all our contact information below.

Thank you for partnering with us on this incredible journey.

Together, we are making a lasting difference in the lives of these children and their families.

Because of You, 17 Children are BACK IN SCHOOL !

You've also helped improve their access to clean and safe water, a fundamental need that many of us take for granted. With your support, we are in the process of installing rainwater harvesting units, wells, and water storage tanks at their schools. This initiative will provide these children—and thousands of others—with reliable, safe water for drinking, washing, and general school activities. These water systems are not just a benefit to your sponsored children but to entire communities, improving the health and quality of life for so many.

The difference you've made is profound. Water, food, and education are fundamental human rights, and through your continued support, you've helped restore these rights to children who were once without them. Your sponsorship is not just helping one child—it's transforming entire families, schools, and communities. This journey of transformation would not be possible without you. You have become a lifeline for these children, providing them with hope and the resources they need to build a brighter future. Seeing their smiling faces, their growing confidence, and their excitement about learning is a testament to the power of your generosity.

Together, we are making the world a better place, one child at a time.

As we continue to work toward expanding our programs and supporting even more children, we invite you to take pride in what we've accomplished together. Every step of this journey has been possible because of your commitment to making a difference. We couldn't do it without you.

Thank you for restoring hope to humanity. Your love and generosity are changing lives—and the ripple effect of your support will continue for generations to come.
