

Enseña por Colombia in 2022

Major leadership milestones

1 We celebrate 10 years working for the Education in Colombia:

110.000
Students
reached.

411
Alumni
of the 2 year
program.

146
Students
completed the Student
Leadership program.

353 Teachers
completed the
"Conexión Docente"
program.

We celebrate with a Face to Face meeting:

Teachers, students, Ecos,
Alumni and partners from
all over the country.

- 10 learning and connection spaces
- 2 conversation panels
- 3 students impact stories

Event photos [HERE](#).

2 More exceptional and diverse people Chose to Teach:

8.050
Records

2.485
Applications

516
Interviews

138 Professionals started
their initial training

3 We design and implement programs to develop Collective Leadership:

Impacted
students

22.918
through tow-year
Ecos program

32.709
through
"Conexión Docente"

Note: students from both programs
may repeat themselves

**Ecos
program**

104 Ecos

92,3% Ecos reach or remain tithin the
milestones established by the program
in the rubric Teaching is leading.

**Better results in
MET* tests:**

- **Give:** respect for students ideas.
- **Clarified:** understanding is assured and verified.
- **Challenging classes:** rigorous expectations.

272 Expert
teachers

75% of the participants met the
criteria established by the program

**Better results in
MET* tests:**

- **Give:** respect of the students ideas.
- **Clarified:** understanding is assured and verified.
- **Challenging classes:** rigorous expectations.

**Armadillos
Amarillos**
Programa de liderazgo estudiantil

43 Teams
formed

23 viable initiatives designed
by students and financed for
implementation.

**Learnings most
recognized by our
students:**

Friendship

Teamwork

Leadership

*MET: students perception surveys
**New students leadership program

4
