

A BRIGHT HOPE - EL HAOUZ

From October 25 until October 27, EFE-Maroc has launched an aid campaign, specifically designed to extend assistance to more than 100 children in areas near Alhaouz that have been adversely affected by the recent earthquake. The primary objective of this initiative is to provide support to children residing in the AZGUOUR, ANGAR, AMZMIZ, and IMINTALA villages, located approximately 2 hours away from Marrakech. The program aims to offer assistance to the childrens affected by the earthquake's consequences in these isolated and rural areas.

Journaling Sessions: Providing children with personal journals to express their emotions and hopes in private. This has left a lasting impact on these children, as they will continue to use their personal journals long after the initiative

Creative Expression Workshop: Sharing positive stories and anecdotes to inspire hope. The children freely expressed their feelings.

The initiative prioritizes improving communication skills through role-playing activities, effectively incorporating board games that encourage collaboration and group decision-making.

The children took part in a workshop focused on career orientation and exploring different professions, involving the creation of theatrical scenes related to these fields, followed by a coaching session.

EFE-Maroc Hosted a little Henna event where all the children came together to enjoy art form with the goal of ensuring each person leaves with a unique and joyful experience.

Providing a creative and enjoyable face painting session specifically designed for children, allowing them to explore colorful designs and themes in a fun and interactive setting.

We organized an open-air kids movie night, creating a delightful and enjoyable experience under the stars where kids could watch their favorite films in a relaxed outdoor setting.

EFE-Maroc organized a small sport competition for the kids aimed at promoting teamwork, skill development, and a healthy, active lifestyle in a fun and supportive environment.

Closing ceremony dedicated to celebrating the exceptional achievements of children. The distribution of toys, certificates, and medals has crowned their efforts and accomplishments during the activities and created memorable moments of their successes.
