

SPONSOR-A-CHILD

Monthly Report

HEY, HOW ARE YOU?

An update on your Children

WOW SAC children having fun, dancing and singing

Hello Sponsors,

Welcome back to this month's newsletter, where we are thrilled to update you on what's been happening with the children you so generously support. This letter is exclusive to sponsors and supporters of the children in our program. It's only for you, our valued partners, as a way to keep you connected to the lives you're changing. Thank you so much for working with us to transform lives and build a brighter future for these children.

This month has been particularly special for the children as they enjoyed their winter break. Here in Tanzania, winter begins in June, and it's a time when children take a break from their school routines. On Thursday, June 27, we organized a winter break celebration at our offices, and the joy and excitement were palpable.

The celebration was filled with activities designed to let the children simply be children—something many of them have not had the opportunity to experience before joining our program. The day started with a series of fun and engaging games. The children's laughter and smiles were a beautiful testament to the impact of your support. We then moved on to singing and dancing, allowing the children to express themselves creatively and joyfully.

One of the highlights of the day was a short lesson tailored to inspire and educate. We believe in the power of education and try to incorporate learning into all our activities. The lesson was followed by a special meal of BBQ chicken and chips. For most of the children, this was a rare treat, as their usual diet consists of beans and maize, when they are fortunate enough to have food at all. The meal was not just about nourishment but also about giving the children an experience they will cherish—a sense of normalcy and celebration that many take for granted.

The joy of drawing and coloring was another highlight of the day. For many of these children, having access to crayons, pens, and paper is a luxury. Seeing their faces light up as they created their masterpieces was incredibly moving. These small joys are made possible because of your generosity.

We are delighted to welcome our newest sponsors to the WOW Tanzania family. Your support means that more children will receive the tutoring and food supplementation they desperately need. Additionally, all the children in our program will benefit from increased activities and workshops designed to equip them with essential skills and experiences. These opportunities are critical in helping them break free from the cycle of poverty.

We believe in the power of community and partnership. Your support is not just a financial gift; it's a gift of hope, love, and a brighter future for these children and their families. By partnering with us, you are making a profound impact on their lives, providing them with opportunities they could only dream of before.

WOW SAC CHILDREN ALL TOGETHER FOR THE FIRST TIME

We had 15 children in attendance: eight children from our first two families and seven children from our new families. We still have two more families that we hope will join our slowly growing family soon, as soon as we find them sponsors. Nancy and Hope still need help. Thank you for spreading the news about us and this program so every child who needs help surviving and getting an education can get the support they need.

We are continuously inspired by the resilience and determination of the children in our program. Their stories of overcoming adversity and striving for a better future are a testament to the power of your support. Together, we are building a community where every child has the chance to thrive, succeed, and reach their full potential.

Please know that your contributions are changing entire families and their lives for the better. We cannot thank you enough for your generosity and commitment to this cause. We will keep you updated on the progress of the project and look forward to sharing more stories of success and transformation with you.

Thank you for partnering with us and for believing in the power of change.

Thank you for spreading the word about our projects. Your advocacy makes a tremendous difference. Please, talk to your friends and family about us and share our media. Subscribe to and like our social media pages to stay updated on our latest news and initiatives. We would love for you to come visit us and see firsthand the impact of your support. Above all, you are always welcome to volunteer with us and experience the joy of transforming lives up close.

Please see all our contact information below. We are profoundly grateful for all you do. Your involvement enables us to extend our reach and help even more children. The more supporters we have, the greater our capacity to provide education, nourishment, and hope to those in need.

Thank you for partnering with us on this incredible journey. Together, we are making a lasting difference in the lives of these children and their families.

Bringing Hope and Transformation: Tunu and Oliver's Journey to a Better Life

Recently, we produced a poignant video showcasing the unimaginably harsh conditions in which Tunu and Oliver, two young girls known to many of you through our past newsletters, are forced to live. Their father, elderly and battling a serious heart condition, struggles to care for them after their mother abandoned them years ago. Their home is a place of dire desperation: soot fills the air from cooking over open fires indoors, they endure a dirt floor devoid of furniture, and sleep on makeshift beds unfit for rest. Spider webs line the corners, and the metal sheet serving as a roof is riddled with holes. Daily malnutrition only adds to their plight.

However, amidst this bleak reality, we have been profoundly moved and grateful for the outpouring of support from our sponsors. Your generosity has paved the way for a transformation in their lives. We are thrilled to announce that we will soon begin renovating their home. Plans include installing a proper floor, adding a ceiling to their kitchen area, and plastering the walls for a more hygienic and comfortable living environment. Most importantly, Tunu and Oliver will receive their own beds, ensuring they can finally experience the rest necessary for their health and growth. For more detailed insights into their journey and the impact of your contributions, we invite you to view our video on our YouTube channel. ([click here for video](#)). We are committed to keeping you updated on the progress of this transformational project. Your support not only changes the lives of Tunu and Oliver but also extends to other children in our program who are equally in need.

We extend our heartfelt gratitude to each and every one of you. Your compassion and commitment make you true lifesavers. Thank you for standing with us in this journey toward a brighter future for Tunu, Oliver, and many others like them. Stay tuned for more updates, and once again, thank you for your unwavering support.
