

# SPONSOR-A-CHILD

*Monthly Report*

HEY, HOW ARE YOU?

An update on your Children

## Heartwarming Progress in Tunu and Oliver's Home Renovation!

Dear Sponsors,

We are beyond thrilled to bring you an exciting update from WOW Tanzania's Sponsor-a-Child Program. Your unwavering support and generosity have propelled us into a transformative journey, making a profound impact on the lives of Tunu and Oliver.

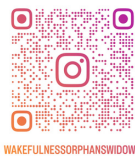

These two resilient young girls have faced unimaginable hardships. Abandoned by their mother, they are being raised by their elderly and ailing father under dire conditions. With no access to water, electricity, proper sanitation, a toilet, or a kitchen, their home environment was perilous. Cooking over an open fire on a dirt floor, surrounded by spiders and bugs, had taken a severe toll on their health. Their living conditions were among the worst we have encountered, but your compassion has sparked a remarkable change.

### Remarkable Progress Thanks to You

Because of your generous contributions, we have made significant strides in renovating their home. The walls, once bare and crumbling, have been expertly plastered. The dirt floor, a breeding ground for illness, is now cemented, providing a clean and solid foundation. The girls will soon no longer sleep on an old, broken-down cot shared with their father. Instead, they will now have their own beds, offering them a sense of comfort and dignity they had never known.

**Oliver and Tunu's house RENOVATION underway!**

### A Vision for a Brighter Future

While we have made commendable progress, there is still much work to be done. Our vision for Tunu and Oliver's home includes painting the walls to bring warmth and brightness into their lives. We plan to hang curtains to add privacy and a touch of homeliness. A new roofed area outside will serve as a proper cooking space, eliminating the need for open fires indoors and ensuring their safety.

### Essentials for a Healthy Home

We aim to provide mattresses and bedding to ensure a good night's sleep. A water tank will be installed to harvest rainwater and a water filter, giving the family access to clean water—a basic necessity they have been deprived of. We also plan to dig a hole and construct a toilet, vastly improving their sanitation and hygiene.

### Electricity and Beyond

Thanks to your donations, we have installed wiring for electricity. Soon, Tunu and Oliver will experience the life-changing benefits of having electrical power in their home. A gas cooker will eventually replace the arduous and hazardous open fire, making meal preparation safer and more efficient.

**The walls and floor is nearly finished**

**Buying beds for the girls**

**The plaster and cement is drying**

### **Your Impact**

Your support is not just changing their living conditions; it is saving their lives. The improvements in their health, coupled with the newfound hope they will feel, are a testament to the power of global compassion. Tunu and Oliver now know that they are loved and cared for by God and by people from all around the world. Your kindness has shown them that they matter.

### **A Call for Continued Support**

This project is progressing steadily, but with more sponsors, we can accelerate the work and bring about even more positive change to their lives and other children like them. Every contribution, no matter the size, brings us closer to completing the renovation and providing Tunu and Oliver with a safe, healthy, and hopeful environment. Thank you for being a beacon of hope and for making a tangible difference in the lives of these precious girls. Together, we are transforming lives and building a brighter future. Look out for our video to come, documenting this housing renovation project. Make sure you are subscribed to our YouTube Channel @wowntanzania for updates.

**Oliver rejoicing over the renovations**

Thank you for spreading the word about our projects. Your advocacy makes a tremendous difference. Please, talk to your friends and family about us and share our media. Subscribe to and like our social media pages to stay updated on our latest news and initiatives. We would love for you to come visit us and see firsthand the impact of your support. Above all, you are always welcome to volunteer with us and experience the joy of transforming lives up close.

Please see all our contact information below. We are profoundly grateful for all you do. Your involvement enables us to extend our reach and help even more children. The more supporters we have, the greater our capacity to provide education, nourishment, and hope to those in need.

Thank you for partnering with us on this incredible journey. Together, we are making a lasting difference in the lives of these children and their families.

# WOW Tanzania's Food Program: Transforming Lives Every Day

SAC Children receiving their weekly food allowances

We are ecstatic to share the incredible progress of our food program with you! Because of your generous monthly sponsorship, we are able to feed more and more children, ensuring they receive the nutrition they need to thrive.

Every Friday, our families eagerly come to our office to pick up their food packages. These packages are filled with nutritious essentials: rice, ugali, vegetables, fruits, oils, sardines, beans, maize, and more. Each item is carefully selected to supplement the children's diets, combat malnutrition, and help them grow strong. With proper nutrition, these children are not just surviving—they're gaining the strength and energy needed to excel in school and life.

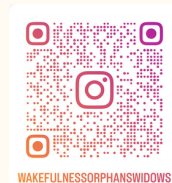

Our food program, which has been running for two years, has grown remarkably. We started by feeding six children, and now we are nourishing sixteen. The transformation is astounding. Gone are the days when the children appeared emaciated, with enlarged stomachs and thin limbs. Thanks to the steady supply of healthy food, they are gradually gaining weight, their energy levels are rising, and the joy that should always be a part of childhood is returning to their lives.

We couldn't have done this without you. Your partnership is saving lives and changing them forever. The smiles on these children's faces, their improved health, and their renewed hope are all thanks to your unwavering support.

Thank you for being on this journey with us. Together, we are making a lasting difference.
