

**Help buy ambulances
for rescue teams**

Summary

Accident incidence is very high in Bangladesh. Thousands of accidents happen every day across this country. In all these accidents, the loss of life or damage is increasing to a great extent because the injured cannot be taken to the hospital quickly. Under this project, PATHWAY staff and volunteers will rescue the injured and take them to the hospital by ambulance. It will also be possible to provide free ambulance services to helpless people.

Challenge

Accident incidence is very high in Bangladesh. Thousands of accidents happen every day across this country. In all these accidents, the loss of life or damage is increasing to a great extent because the injured cannot be taken to the hospital quickly.

Solution

Rapid rescue and transport of accident victims to medical centers.

Long-Term Impact

The injured will be rescued and taken to the hospital. As a result, it will be possible to reduce the amount of loss of life. Which will also play a role in fulfilling the SDG goals.

Report Summary

(01 Sep 2023 – 15 Jan 2024)

Project Name: Help buy ambulances for rescue teams.

The charity Pathway operates a rescue team made up of its own staff and volunteers. Members of this team rescue people from various natural calamities and accidents. This completely free service has become very important at the local level.

In the last three months, this team has rescued a total of 04 (four) persons due to accidents and brought them to the hospital.

Name	Gender	Rescue Area	Hospital
Md. Razib Ahmed	Male	Mirpur 14, Dhaka	Al-Helal Hospital
Minoti Rani	Female	Raiyer Bazar, Dhaka	Sworwardi Hospital
Masud Shahrir	Male	Dhanmondhi, Dhaka	D.M.C.
Muruddin	Male	Potuakhali	Barisal Medical

Details of grants received for purchase of ambulances for this program in the last three months:

SL	Donor	Amount (USD)
01.	Local Donations	\$60.00
02.	Globalgiving Foundation	\$51.00
	Total	\$111.00

Our rescue operation project is very important considering the natural calamities and various accidents in Bangladesh. However, due to lack of sufficient cooperation and funds, we are not able to increase its coverage by purchasing ambulances. So, I am calling everyone to come forward with us.
