

# Our Strength is in our Unity

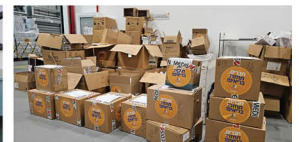

Since the war broke out, the People of Israel united, protecting the lives of those in need of urgent medicine

We sent out over 1,500 packages of medicine to soldiers, reservists and people displaced by the war.

Over 500,000 boxes of medicine were delivered to soldiers, reservists and civilians across the country.

מרגש 🥰🥰🥰  
 דברתי עכשיו בטלפון עם אחד הגדודים בשטח שאמרו שהם טיפלו הלילה בפצועים עם חבילה שהגיעה דרכנו אתמוול חברים- אתם מגלים חיים!!!  
 ביקשו ממני למסור תודה מכל מכל הלב

Over 5 tons of medicine were supplied in the first two months of the war.

One day after the war broke out, we set up a 500 square meter logistics center to handle requests

Over 10,000 families who couldn't leave their homes due to rocket attacks received free packages of medicine

Amidst times of darkness, those who bring light stand out.  
**Your support will be a light of hope**

During these difficult times, we're receiving a huge increase in requests for medicine.  
 Your donation will help us save these lives.
