Special Thanks
to Our Global Partner

In 2019, She Steps Forward began as a small, community-focused conference here in the United States. The thought behind the conference was to simply build a meeting ground for women who wanted to share the vision God had placed on their hearts and be supported in moving forward with those visions. The conference was also designed to provide an open platform to women who had already stepped forward with their God-sized dream and were willing to share with other women their faith and the inner workings of how they built their businesses, ministries, and nonprofits.

At the launch of She Steps Forward, God proved faithful and this small, United States-based, grassroots effort immediately took on an international calling. In 2020, God opened the doors for the first She Steps Forward Africa conference in Nairobi, Kenya. Starting with a successful one-day conference attended by 60 women from five different countries in Africa, the flame has been stoked overseas.

AFRICA MISSIONS

Elaine is humbled to work with women from all over Africa that are ready to step into their destinies. But God didn't stop there. While in Kenya, God also placed in her sights several different community outreaches, being led by strong, faith-filled African women just trying to make their communities better. She Steps Forward International is proud to have an ongoing partnership with these organizations, improving the lives of African women and children in Kenya.

HOW SPONSORSHIP WORKS!

EVERY DONATION COUNTS!

Although ongoing monthly donations are a lifeline for this center, all donations of any size are welcome and appreciated.

Because we are a registered 501(c)3 nonprofit organization, you will receive a tax receipt at the end of the year.

We will also update you on the Center's program outcomes and their monthly food basket outreach. Updates occur on a quarterly basis.
