

# Cyaruzinge Village NEWSLETTER

September 2023

The Irerero Nursery School now has an enclosed outdoor instruction area, with it's own yard light!

The three-to- six year olds can safely learn needed manual skills without interfering with the needs and wants of older villagers.

Soccer! Gymnastics! Dance!!!!

Many Kigali neighborhoods are living without city water because of the ongoing lack of rain during the dry season. Because of the water cistern, the Cyaruzinge Villagers filled months back, the people have drinking water.

The musicians have found time to practice together to be prepared in case a customer calls on them for live entertainment at a wedding.

After years of delays from a combination of Covid-19 issues and issues with subdivision of the parcel - the paperwork on the land is ready to commence. We are now in the proposal for new construction phase. Meantime, the farmers have produced another good harvest of beans from the Amakondera land.

Every free moment for teens = sports practice.
