

THANK YOU FOR HELPING HANANG PEOPLE.

Dear friends, donors, supporter's of Green Land Group this is a special writing from the chairman of Hanang street which is aiming at submitting our thanks on behalf of Hanang people. We have passing through different calamity and huge disaster which comes up with the loss of our family, properties and relatives in general.

The calamity of mad flood's have been more than a threat to us which make hanang people to feel like they were left alone in this world.

But thanks to our friends GREEN LAND GROUP who comes up from far to give us a hand during this tough moment. We have received the help and support from Green Land Group where by they brought to us the learning materials to some of our students in two schools especially to those who lost their parents and supporters during this calamity and failing to have purchased these important learning materials for their education development. We have received dozens of pens, pencils, exercise books and blankets to 10 woman's who losses their properties and their husbands during the disaster we received these important things from Green Land Group which gives us hope that we are not alone.

Dear friends, donors of Green Land Group please keep support this organization for not only hanang project but to all their projects since they are doing hopefully work to our society.

thank you so much and keep support our community

sincerely,

: village representative in hanang street
