

“

Choosing Hope: Mothers Living with HIV and
the Promise of an HIV-Free Childhood”

**“Born from
Love, Free
from HIV”**

“Every child deserves a life that begins without HIV.”

“HIV does not define
motherhood — love does.”

“

A diagnosis is not the end of a dream; it is the beginning of a stronger promise.

“Because of you, mothers are not alone —
and babies are born free of HIV.”
