

# Better Opportunities to mothers with HIV

Making Hope and Transcendentness of life in people who live  
with HIV.

With the contributions of many donors, we can give groceries and dippers for 57 Families

Mothers with HIV receive specialized therapies and their babies receive early stimulation

**Your contributions  
Will increase  
opportunities for  
mothers with HIV  
Diagnostics and  
prevent vertical HIV  
transmission**

¡THANKYOU!

- **With your contributions we prevent Vertical Transmission and provide better life opportunities to women with HIV**
