We want to share with you our activities and achievements for the month of January 2024, as part of the communication between AGTR - La Casa de Panchita.

LA CASA DE PANCHITA

celebrates 17 years serving Peruvian families

It has been 17 years since we started this social enterprise and every day has been an opportunity to grow and learn together. We want to thank you for being part of this family and for trusting us. On this anniversary we renew our commitment to continue supporting decent work and providing better service to families.

FIRST TITA WORKSHOP

from this year for women domestic workers

We are happy to tell you that we held our first theatrical improvisation and expressive arts (TITA) workshop for women domestic workers. It is a meeting place that takes place biweekly where, through expressive arts and theatrical improvisation, we create a space for containment, learning, sisterhood, accompaniment and community among women.

INSTITUTIONAL ALLIANCE

with the NGO Tejiendo Sonrisas

THE NGO Tejiendo Sonrisas and La Casa de Panchita became corporate allies. This union will generate opportunities for economic inclusion for women domestic workers under the framework of equity and against all discrimination.

ALIADOS CORPORATIVOS

La cooperación interinstitucional nos permite generar oportunidades de inclusión económica para nuestra población prioritaria en un marco de equidad y contra la discriminación.

¡Gracias Casa de Panchita!

We did it!

This month we managed to provide scholarships to 30 domestic workers and help more than 20 women find jobs with better working conditions.

Happy Birthday

On January 4th, Carlos Ramírez, Host of the AGTR program "No Somos Invisibles", had his birthday. We send you a big hug and wish you the best.

Blended early stimulation workshop 2024

We thank our domestic worker friends who this month took with us the blended Early Stimulation workshop that allowed them to enhance their skills.
