DONATIONS
2025**

CLEIVER

Thanks to your support, we proudly donated 4 laptops to children in Venezuela who lacked access to the technology essential for their education. In today's digital age, these devices are more than just tools, they're gateways to learning, growth, and opportunity. With these laptops, students can now participate in virtual classes, complete assignments, and explore educational resources previously out of reach.

Our mission is to empower the next generation by providing the resources they need to succeed. This initiative, made possible by donors like you, is already making a meaningful difference in the lives of these students and their families.

OUR PODCAST

2025

This year, the Del Carmen Foundation launched the Del Carmen Podcast a powerful platform to share stories of resilience, community, and purpose. Each episode features voices from our network, students, volunteers, educators, and partners, coming together to reflect, inspire, and grow. More than just a podcast, it's a space to amplify the mission that drives us: transforming lives through education, perseverance, and hope. Stay connected. Stay inspired.

01.

The Del Carmen Podcast began its journey fueled by passion and purpose.

02.

The Del Carmen Podcast is a space to share knowledge, amplify voices, and learn from every story told.
