THE POSITIVE IMPACT OF READING STORIES TO GRADE 1 AND 2 LEARNERS (2023) FACILITATED BY CHOICE TRUST.

Dear Madam

The above-mentioned school is writing this letter to show our appreciation for choosing our school and also to thank your Organization for what you have done for our school. The great work done by your team is there for everyone to see and the School management, SGB and all learners would like to thank your Organization and all the stake holders involved for taking our school to greater heights. The team's hard work and dedication has had a great impact on all the learners involved in the programme.

Your programme have improved our learners' ability to read for meaning and understanding. Our learners are now able to comprehend a story read to them in Xitsonga home language and English first additional and can also answer questions asked from the passage without any glitches. The programme has also improved the learners' creativity, listening and speaking skills.

What this programme has done immeasurable and it has assisted the school in finding more learners to represent us for creative writing and reading competition. This will go a long way in keeping us at the pinnacle of this competitions and remain the best school in the province. The reading interest is massive and we now have a large pool of learners to send to the competitions, all thanks to your programme.

We are grateful of what your programme has done. Our doors and arms are always opened to welcome you. Hoping you return to our school. Our best wishes to your organization and may God bless your great work and on lifting your Organization higher.

Best regards

Shikhathi NP
