

Quarterly Report: Donate To Educate 300 Ugandan Needy Children

Impact Assessment

In this quarter, PLATFORM for the NEEDY (PLANE) made significant strides in fulfilling its mission to support underprivileged children in Uganda through the Donate To Educate project. One of our proudest achievements was providing school fees for two terms to one of the needy girls, ensuring her continued access to education. She was nearly failing to register for senior four Uganda Certificate of Education (UCE) after her mom fell sick and bed ridden over spinal cord complication.

Additionally, we distributed essential scholastic materials to 128 children, empowering them to engage more effectively in their studies.

Rev.Sarah Kakyoo hands over the scholastic materials to one of our beneficiaries

The impact of our interventions cannot be overstated. By supporting her and other vulnerable children, we are not just providing access to education but also offering them hope for a brighter future. Education is the key to breaking the cycle of poverty, and each child we support brings us one step closer to creating a more equitable society in Uganda.

We also conducted 2 radio talkshows to sensitize and educate the parents on the rights of children and their entitlement to basic needs.

Conducting a radio talkshow sensitizing the parents of the rights of children especially the girls being married off by parents at a tender age. Emphasized on parenting and education for the girl child

Challenges

While we celebrate our accomplishments, we also acknowledge the challenges we face. Despite our dedicated efforts, the Donate To Educate project has not attracted as many donors on

GlobalGiving as we had hoped. As a result, the fundraiser has only received \$218 in contributions so far.

The lack of donor participation presents a significant obstacle to our mission. Without adequate funding, we are limited in our ability to reach more children and expand our impact. However, we remain optimistic and grateful for the generosity of all our donors and supporters. Every contribution, no matter how small, makes a difference in the lives of the children we serve.

Gratitude to Donors

On behalf of PLANE and the children we support, we extend our deepest gratitude to all the donors who have contributed to the Donate To Educate project here on GlobalGiving and the individual donors and students of Ringitoto College New Zealand. Your generosity has enabled us to make a tangible difference in the lives of vulnerable children in Uganda. We are truly humbled by your support and commitment to our cause.

We would like to express our appreciation for your belief in the power of education to transform lives. Your donations have directly impacted the futures of children, giving them the opportunity to pursue their dreams and realize their full potential. Your kindness and compassion have not gone unnoticed, and we are immensely grateful for your contributions.

Continued Support

As we look to the future, we remain steadfast in our commitment to supporting needy children in Uganda. Our work is far from over, and there are still many more children who require our assistance. We rely on the continued generosity of donors like you to help us make a lasting impact in the lives of these children. Without you, our work is not visible and felt.

We kindly ask for your ongoing support and encourage you to share our campaigns with your friends and networks to help us gain more visibility. By working together, we can ensure that every child in Uganda has access to quality education and a chance for a better tomorrow.

Thank you once again to all our donors and supporters for your invaluable contributions to the Donate To Educate project. Your compassion and generosity are changing lives and shaping the future of Uganda's children.
