TARGET**

ZOCS is a vibrant and a flagship organization of Community Schools since 1992 in Zambia that empowers communities to provide quality basic education to **224,847 learners (112,433 Boys and 112,414 Girls)** in **1,285** demonstration Community Schools across 97 Districts in all the 10 provinces of Zambia, premised on the principle that every child has a right to education.

Through its three-pillar approach of **Advocacy, Service Delivery** and **Capacity Building**, ZOCS has accomplished much for the children and people of Zambia.

In support of Government's Free Education Policy, ZOCS embarked on 'Donate A Book' campaign aimed at collecting exercise books for vulnerable children understanding that while education is free, school requisites are not.

In 2022, ZOCS collected 30,000 exercise books that were donated to vulnerable children in Community Schools. This year, the Donate A Book drive is targeting 100 000 exercise books however, any other school requisites can equally be donated. This campaign will help to address some of the gaps that have been noted since the introduction of the Free Education Policy where many learners attend classes but do not have school supplies
