STRATEGY for 2026

- 30 study groups across cities, towns, and villages throughout Ukraine over the year.
- Community building with all project participants across Ukraine: online sessions, workshops, and monthly live broadcasts.
- Annual offline partner forum (to establish partnerships and collaboratively improve project methodology).

Each group of 30 girls completes a 6-module course (lasting 2 months).

Project goal: To counter negative social phenomena such as gender discrimination and to increase adherence to women's rights, especially within vulnerable populations.

Project concept: Enhancing literacy among girls in gender equality, methods for combating violence, career selection skills, and financial independence. Ultimately, this project aims to strengthen the protection of girls' and women's rights.

The project covers cities, towns and villages across Ukraine in the following regions: Zakarpattia, Kyiv, Lviv, Rivne, Chernihiv, Zhytomyr, Sumy, Ternopil, Khmelnytskyi, Volyn, Kharkiv, Ivano-Frankivsk, Poltava, Dnipropetrovsk, Mykolaiv, Chernivtsi, Vinnytsia, Zaporizhzhia, and Odesa.

Cities will be selected on a competitive basis.

GIRL POWER

Project Objectives

- Conduct the offline course "Life Skills School" for over 12,000 socially vulnerable teenage girls aged 13-18.
- Organize a 10-day educational camp for 30 socially vulnerable teenage girls aged 13-18.
- Equip participating girls with skills to recognize violence and human trafficking, psychological resilience, and strategies for violence prevention, along with management, leadership, and career planning skills.

Build a supportive community for the girls participating in the project.
