

Global Giving Report May 2025

We would like to express our heartfelt gratitude for the unwavering support from our generous donors on the Global Giving Platform. Your commitment to our cause significantly enriches our educational programs, providing both immediate resources and sustainable growth for our initiatives. Each contribution not only enhances the quality of education we offer but also empowers our students to achieve their full potential. Thank you for making a lasting difference in the lives of those we serve.

We continue to make impact with your support Building on organizational capacity

Strengthening our foundation: building stronger teams for greater impact, together we grow, learn and lead. Your generosity made it possible for us to engage in service training that enhances our ability to effectively fulfill our roles and ensures that quality is assured. We were also able to support two of our team to the African Non-Profit Summit 2025, for knowledge sharing, networking and collaborations.

The First Wave program successfully ended in April, although it was originally scheduled for completion in March. The delay was mainly due to the school's various extracurricular activities that involved the participants. Currently, the Second Wave is ongoing and is expected to finish in July. And as always, offering even more enriching experiences for everyone involved.

Yedaase Paaa
Thank you
