Title or Subject of Report	Quarterly Report - 02: One Tree for One Child #64562		
Project Report	<p>The "One Tree for One Child - #64562" project is committed to fostering a greener and sustainable future in Bagha Upazila, Rajshahi District by promoting tree plantation and engaging local communities, especially women and children. As of this quarter, we are proud to report the distribution of 134 trees to 52 children, with each child receiving one tree.</p> <p>This achievement reflects the success of our implementation strategy, which includes training local communities on tree care, organizing tree planting events, and raising environmental awareness among children. The TYAGI Volunteer Team actively participated in all stages of the project, assisting with tree planting, community engagement, and awareness activities.</p> <p>By involving both children and community members in these initiatives, we are not only ensuring the growth and care of the trees but also nurturing a sense of environmental responsibility, sustainability, and community empowerment for future generations. This project represents a meaningful step toward achieving our mission of a greener and more prosperous Bagha Upazila.</p>
