

Book a FREE Giggle Doctor Virtual Visit!

Giggle Doctors bring joy and laughter to children in hospitals and other clinical settings. By combining music, play, magic and storytelling, these professional performers bring magical moments to children in challenging times.

To book a Virtual Visit with a Giggle Doctor over WhatsApp, scan the QR code which will direct you to our booking site.

The Theodora Giggle Doctors have been visiting children in hospitals, hospices and specialist care centres across the UK for 26 years. In 2020, we have launched our Giggle Doctor digital programme to give children Giggle Doctor experiences when the Giggle Doctors can't be with them in person.

Giggle Doctor Virtual Visits allow children, wherever they are, to have a visit from a Giggle Doctor via their parent's phone or tablet. All you need is:

- Internet connection
- WhatsApp installed on your device
- To reserve your chosen time on the booking page

You can book your time slot via the QR code and the Giggle Doctor will video-call you using WhatsApp. The call will last up to 15 minutes.

We also offer prerecorded Giggle Doctor experiences through our **Giggle-a-Gram** service. *Giggle-a-Grams* are personalised Giggle Doctor video messages to children by request of their parent or carer. The Giggle Doctor will record a tailored message for your child, using the information provided, and this will be sent to you by a private link in an email. *Giggle-a-Grams* could be requested before or after your hospital visit, to raise your child's spirits.

“ Fantastic idea and really good to see my daughter distracted and happy. Brilliant at keeping the child's attention despite being over video call! Thank you! ”

Parent

“ Thanks so much. That was fantastic. We've not heard him laugh like that for a long time. You are doing something so special here! ”
