Introduction

Vijana Tuungane (Empowered Youth) is a youth-led organization equipping children in Western Kenya with the computer and digital literacy skills they need to thrive in the 21st century.

Why Digital Literacy Matters?

In today's world, digital skills are essential for education, employment, and active citizenship. Vijana Tuungane's program equips students with the knowledge and confidence to:

- Operate computers and navigate software programs.**
- Access and evaluate information online safely and critically.**
- Communicate and collaborate effectively using technology.**
- Creatively utilize technology for learning and self-expression.**

Our Impact

- **Reaching over 500 students in 45 schools.**
- **Witnessing a significant improvement in students' computer skills and digital literacy.**
- **Inspiring a love of learning and fostering future tech leaders.**

Kids from some of the schools we have partnered with happy to interact with technology
