Tree Planting Activity Report

Date: May 11, 2025

## Overview

As part of its commitment to environmental sustainability and educational development, Al Ehsan Charitable Foundation Nepal carried out a successful tree planting activity on May 11, 2025, in the village of Mohli, where a new school was recently constructed and inaugurated in April 2025.

This initiative was supported by generous donors through the GlobalGiving platform, and aligns with the foundation's broader goal of empowering communities through education and ecological responsibility.

## Background

In April 2025, Al Ehsan Charitable Foundation Nepal, in partnership with a Canadian charitable organization, completed the construction of a new school in Mohli. The school now provides quality education to children from marginalized families in the area.

To enhance the surroundings and promote environmental awareness, the foundation launched a tree planting activity in the vicinity of the newly opened school.

## Activity Details

- Activity: Tree Planting
- Date: May 11, 2025
- Location: Around the newly built school in Mohli
- Trees Planted: 30
- Types of Trees: A mix of fruit-bearing and native shade trees
- Participants: Local volunteers, teachers, students, and foundation staff

## Objectives

- To beautify and enrich the school environment
- To contribute to local ecological balance and biodiversity
- To promote awareness of environmental responsibility among students and the

community

- To provide shade, improve air quality, and support future food sources through fruit trees

## **Implementation**

The team from Al Ehsan Charitable Foundation Nepal coordinated the logistics, including sourcing saplings and organizing tools. The planting was conducted with the active involvement of the school staff and local community members. Short educational sessions were also held to raise awareness among students about the importance of trees and environmental protection.

## **Looking Ahead**

This is part of a larger, ongoing initiative by the foundation. Al Ehsan Charitable Foundation Nepal remains committed to:

- Continuing tree planting activities across Nepal
- Expanding access to education by building more schools and learning centers
- Engaging communities in sustainable and empowering development projects

## **Acknowledgment**

We express our sincere gratitude to our donors on GlobalGiving, whose support made this initiative possible. Through continued collaboration, we aim to foster a greener, healthier,

and more educated future for the children and families of Nepal.
