

Nourishing HOPE

GIVE LIFE BY FEEDING THE CHILDREN OF AFRICA

Summary

Nourishing Hope aims to grant consistent access to nutritious food for 50 children residing in the second largest slum globally. Your generosity will enable each child to receive a weekend food package filled with healthy, nutrient-rich foods.

Funding Amount

The total amount of \$9,000 covers the cost of food for 50 children who live in Kibera Slum for an entire year.

The cost to cover one child for an entire year is \$180, which is \$15 a month.

About Kibera Slum

Kenya is home to the second largest slum in the world, Kibera Slum. This place is filled with roughly a half million people who live in wooden and metal shacks that they call homes without running water or electricity.
