

# PROJECT “FULL BACKPACK DURING THE WAR”

# ABOUT THE PROJECT

Every year, we provide our sponsored children with special fully equipped backpacks for a successful start to the school year, but the reality for our students has changed since early 2022.

Since then, our main task has been to provide children with all necessary safety conditions.

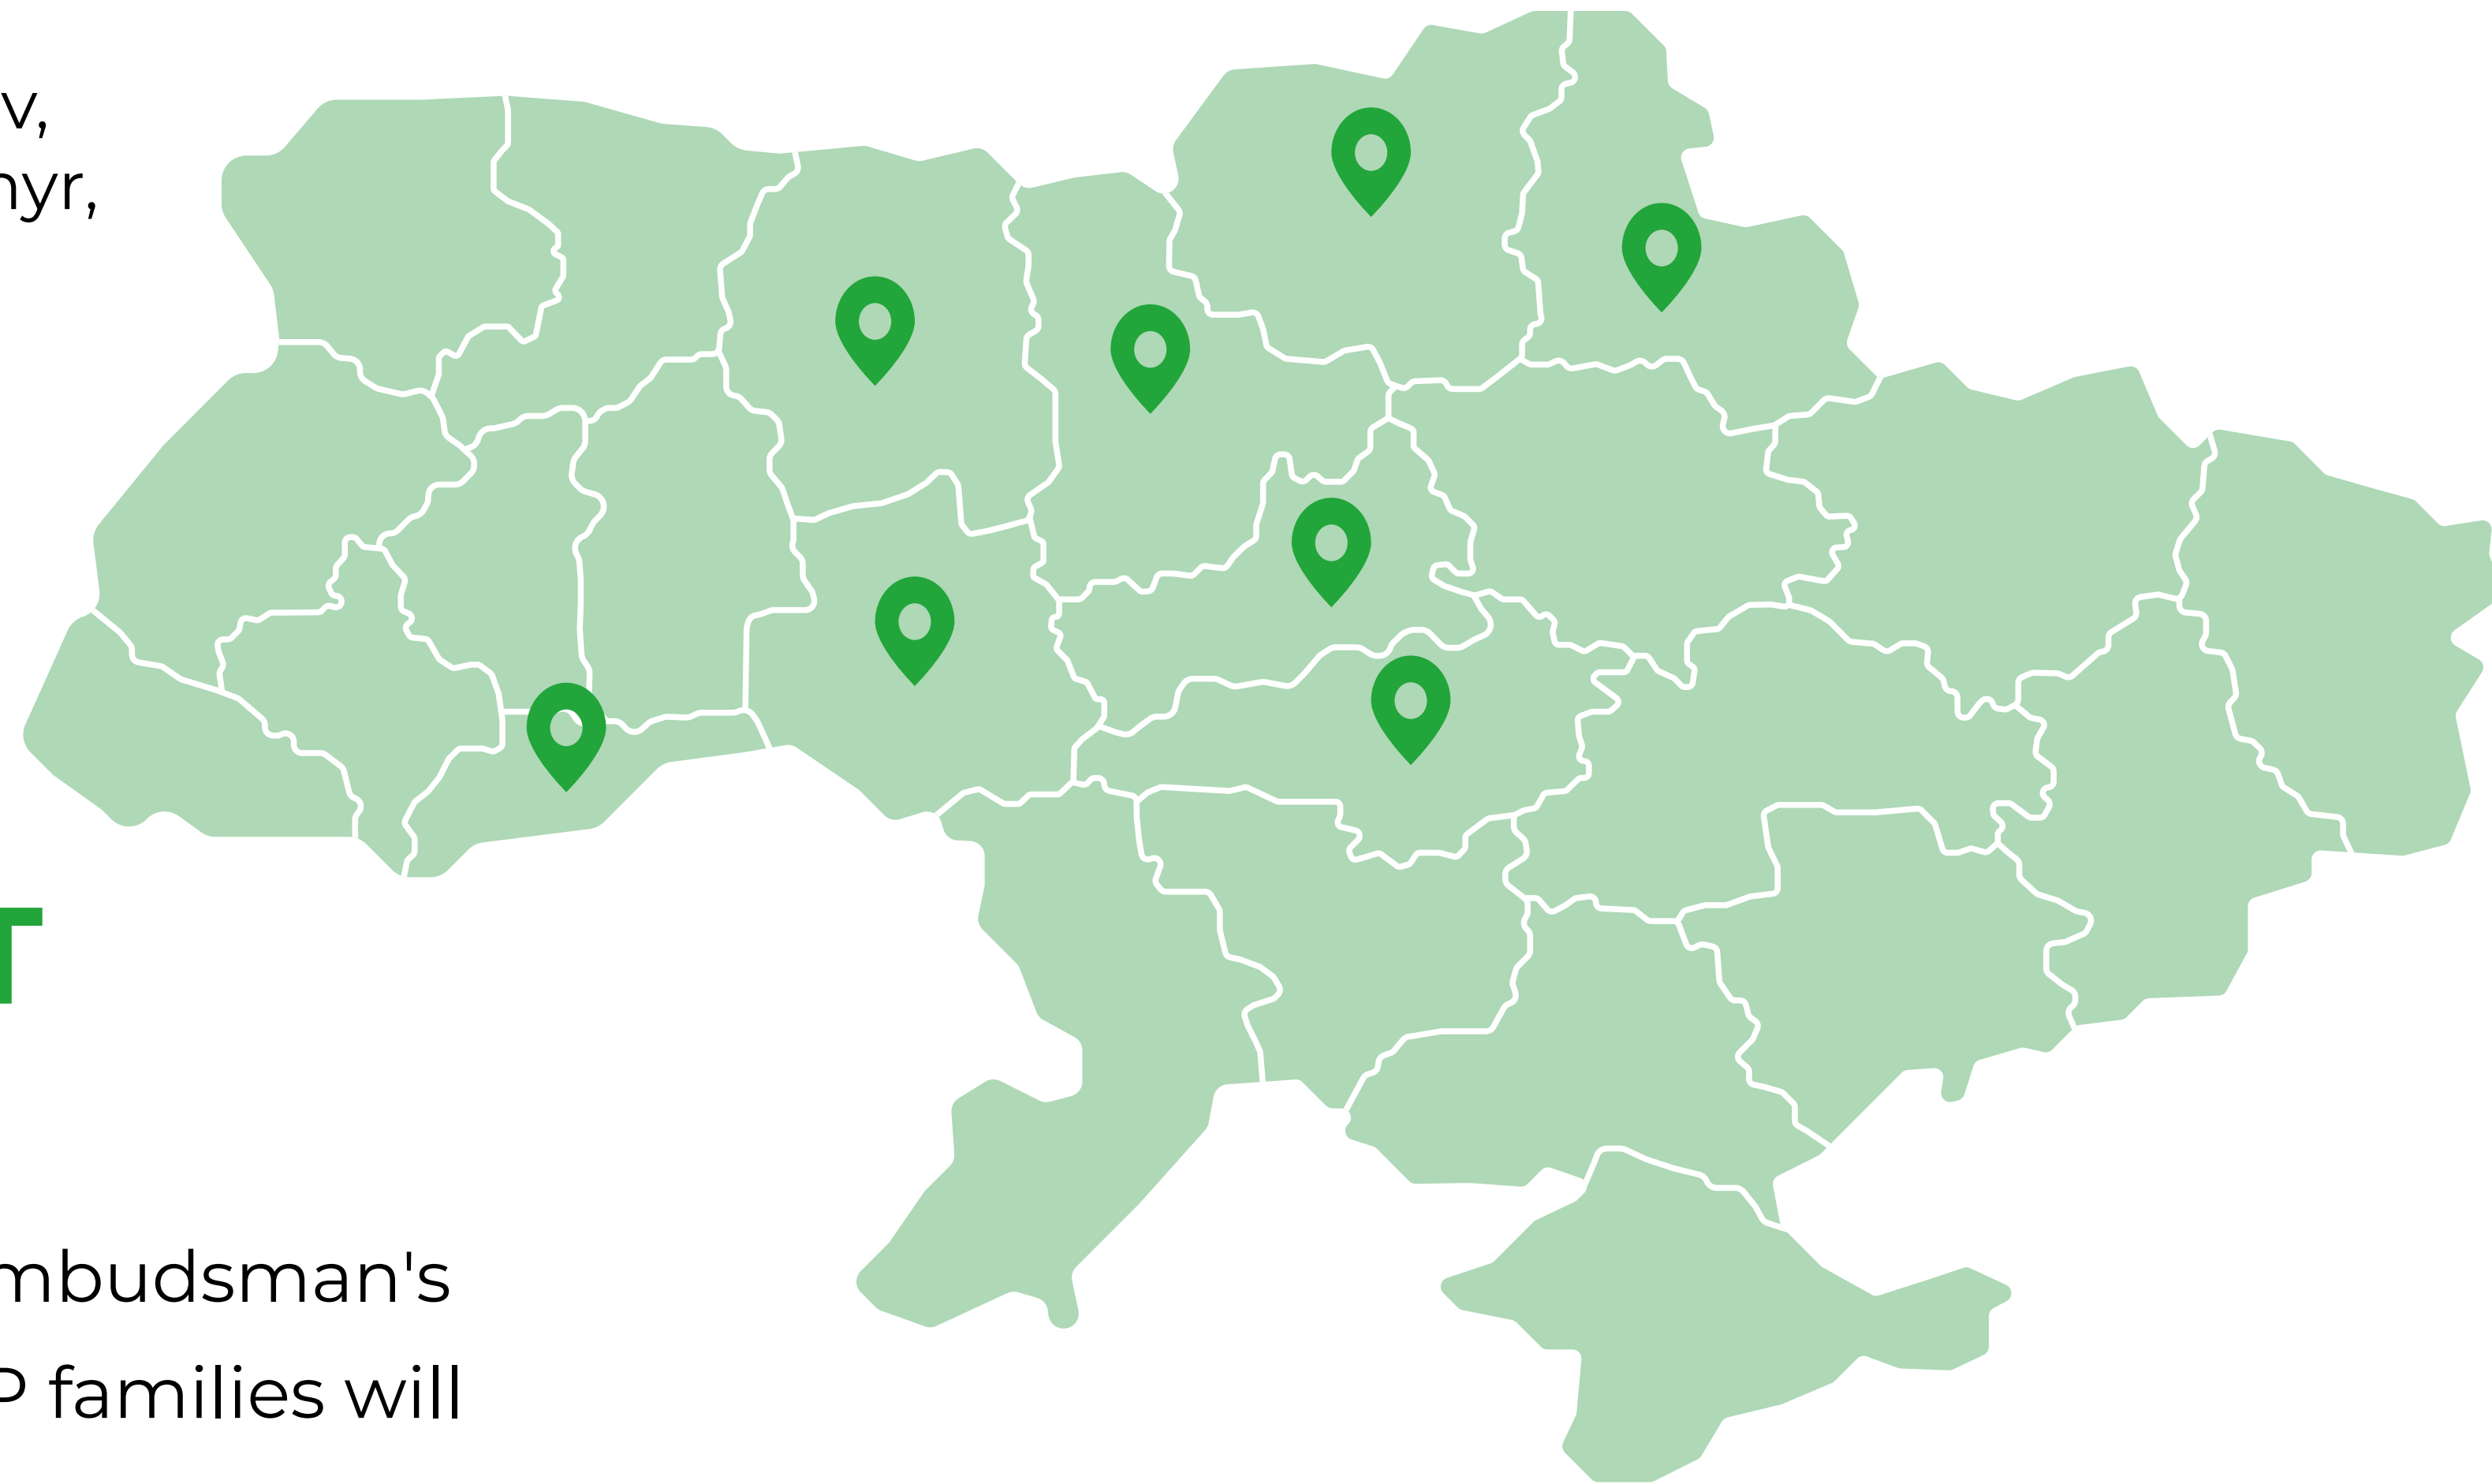

AS OF TODAY, WE HAVE REQUESTS FROM 27 INSTITUTIONS FOR 822 CHILDREN. THE NUMBER OF REQUESTS IS INCREASING DAILY.

IN 2023, WITHIN THE FRAMEWORK OF THIS PROGRAM, WE PROVIDED ASSISTANCE TO 16 INSTITUTIONS AND 875 CHILDREN.
