KIBERA FAMILIES CHRISTMAS CARE PACKAGES & END YEAR FUNDRAISING

In our end of year fundraising, we had an opportunity to not only raise funds but get an incentive matching fund. We are grateful to our amazing supporters for helping us raise usd 3,300 with a matching fund of usd 800. We also got an award as top ranked organisation. We also were able to reach out to vulnerable families in Kibera, encouraged them through spiritual nourishment, sharing their stories and giving them a christmas care package.
