

PROJECT REPORT FOR EMPOWER EMPLOYMENT & LIVELIHOOD FOR NIGERIAN YOUTH

Overview

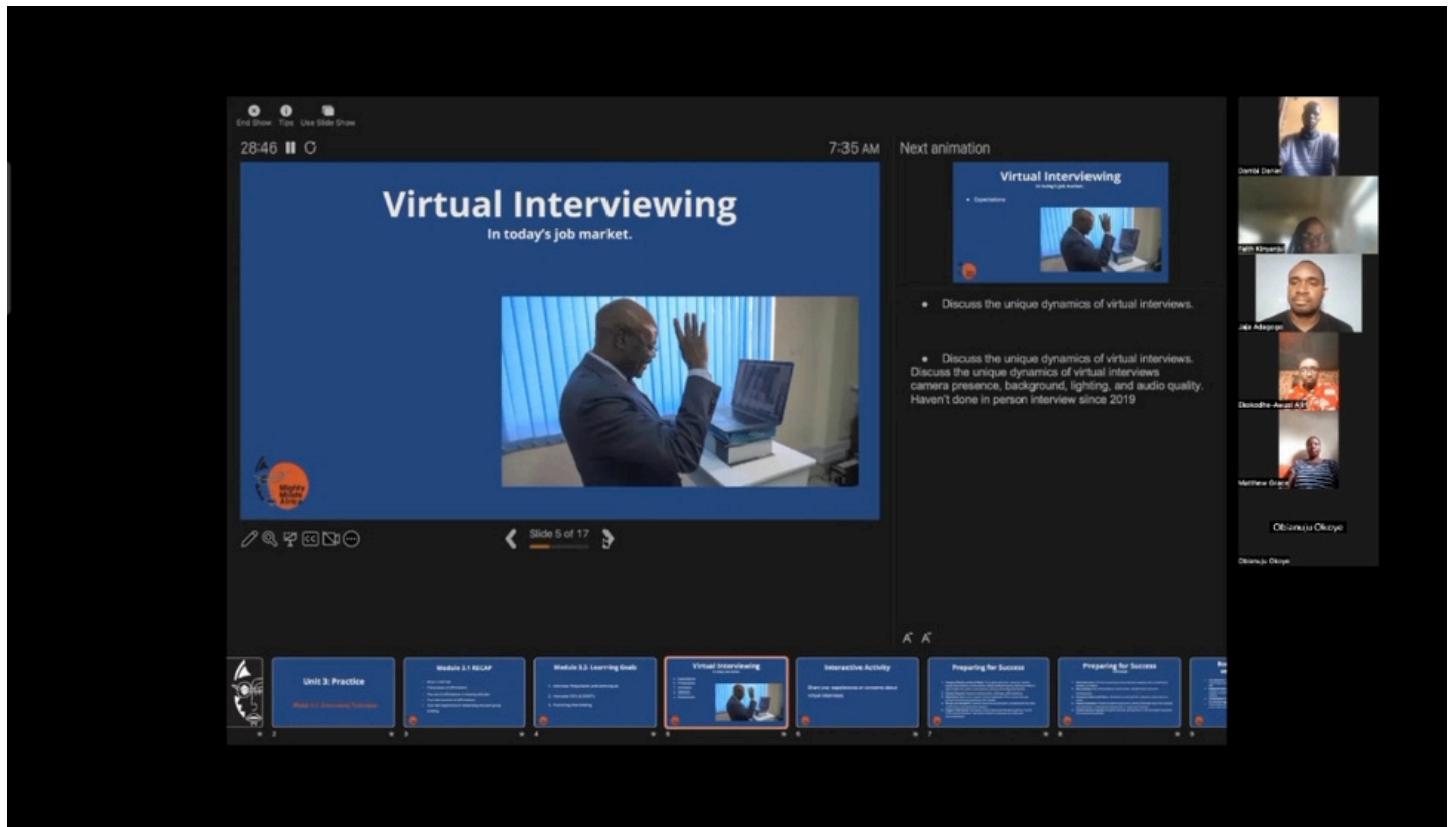

The Empower and Employ program uplifts marginalized youth in Southeastern Nigeria through personal growth, career development, and digital skills training, supported by mentorship to foster leadership and civic engagement.

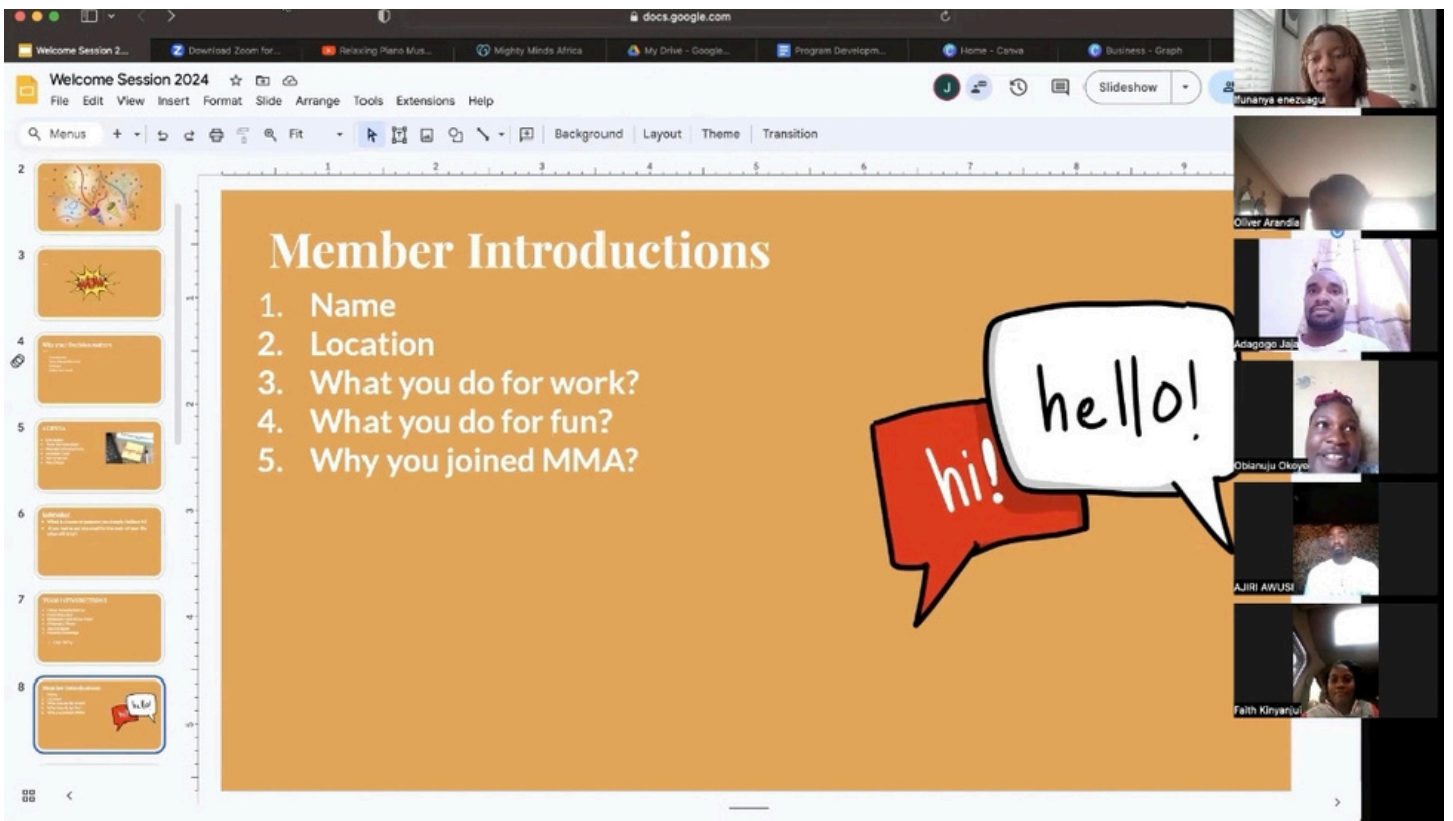

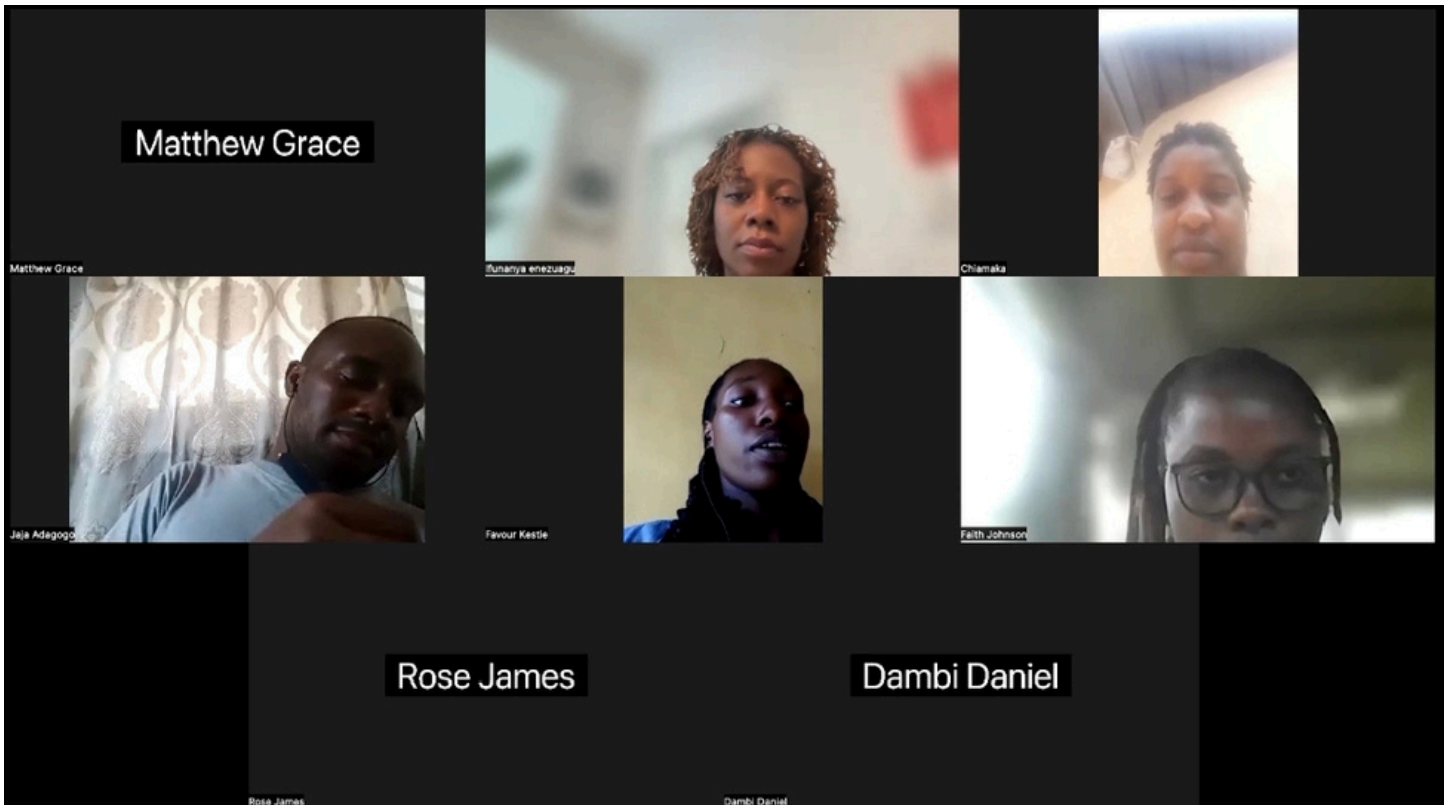

Achievements Since the Last Report

- **Empower and Employ Program**

Delivered training on personal growth, career readiness, and entrepreneurship.

Paired participants with mentors and provided access to jobs, gigs, and entrepreneurship support.

- **GirlPower Program**

Launched in October 2023 to address poverty among girls through S.T.E.A.M education, SRH rights, leadership, and financial literacy.

Reached 450 girls in Lagos via workshops and dialogues.

- **Co-implementer in the GirlPower Book.**

- **Innovate for Impact Challenge 2025**

Engages youth (16-29) to create solutions for personal career growth, sustainable employment and livelihood, and civic engagement and leadership, with a grand prize and mentorship.

Success Story

Direct Beneficiaries:

Grace, a beneficiary from the Empower and Employ Program secured a paid apprenticeship as a Virtual Assistant, turning her passion into a career.

450 Secondary School young girls were trained in our GirlPower Outreach in Surulere, Lagos on leadership and innovation, with an emphasis on empowering women to take on leadership roles.

Indirect Beneficiaries:

Families and communities gaining from empowered individuals who contribute to community development.

Upcoming Activities

- **GirlPower Expansion** (Feb, 2025): Weekly safe space sessions on leadership and innovation training.
- **Innovate for Impact**

Challenge: Submissions close January 2025, with mentorship and networking.

Impact Summary

Direct Beneficiaries: 456 youth(6 youth from the Empower and Employ Program and 450 from the GirlPower Program).

Indirect Beneficiaries: Over 1000 families and communities gaining from empowered individuals who contribute to community development.

Call to Action

Your support has been instrumental in making these achievements possible. We encourage you to follow the progress of our programs and participate in upcoming initiatives like the Innovate for Impact Challenge 2025 and help us create lasting change.
