

## 1. Overview of American Aid (A A Relief)

- **Mission:** American Aid (A A Relief) is committed to supporting in-need families, hungry children, the homeless, and minorities locally and internationally. We focus on delivering critical resources to those who need them most, particularly in times of crisis.

- **History:** Founded by Salah Kamal, American Aid has been operational for more than two years, establishing a strong presence in supporting vulnerable communities. Our recent "Lunching for Learning" campaign successfully erased school lunch debt, ensuring no child goes hungry and every student can thrive in the classroom.

- **Vision:** To create a world where every individual has access to basic needs and opportunities, enabling them to live with dignity and hope.

## 2. Project Description: Urgent Medical Appeal for Lebanon

- **Context:** Lebanon is experiencing an unprecedented economic collapse that has devastated its healthcare system. Hospitals are struggling due to severe shortages of medical supplies, medicines, and essential resources. Families burdened by economic hardship are often forced to forgo critical medical care.

### - Objectives:

**1. Fund Life-Saving Surgeries:** Provide financial support for essential surgeries, including cardiac, cancer, kidney, and orthopedic procedures.

**2. Supply Essential Medications:** Ensure a steady supply of necessary medications for chronic and acute illnesses.

**3. Equip Hospitals:** Deliver critical medical equipment to hospitals, enabling them to continue providing care.

**4. Post-Operative Care:** Offer post-operative care and rehabilitation to ensure full recovery for patients.

## 3. Budget Breakdown (\$250,000)

- Life-Saving Surgeries: \$120,000
- Cardiac Surgeries: \$50,000
- Cancer Treatments: \$30,000
- Kidney Dialysis and Transplants: \$20,000
- Orthopedic Surgeries: \$20,000
- Essential Medications: \$60,000

- Medications for Chronic Illnesses: \$40,000
- Medications for Acute Conditions: \$20,000
- Medical Equipment: \$50,000
  - Ventilators, Monitors, and Surgical Tools: \$30,000
  - Dialysis Machines: \$20,000
- Post-Operative Care and Rehabilitation: \$20,000
  - Rehabilitation Services: \$15,000
  - Follow-up Care: \$5,000

#### **4. Impact of the Project**

- **Short-Term Impact:** Immediate relief for thousands of individuals in need of urgent medical care, preventing loss of life due to the lack of access to essential medical services.

- **Long-Term Impact:** Strengthening Lebanon's healthcare infrastructure to serve its population during and beyond the current crisis. Families will have sustained access to critical healthcare, reducing mortality rates and improving overall public health outcomes.

#### **5. Call to Action**

- **Donate:** Your contribution will directly fund surgeries, provide medications, and equip hospitals with the tools they need to save lives. Every dollar counts in ensuring that no one in Lebanon is denied the medical care they urgently need.

- **Spread the Word:** Share this campaign with your network. Raising awareness is crucial to reaching more people who can help.
