WELCOME TO OSNON ACADEMY!

Dear Parents, Students, Guardians and Stakeholders. It is with great pleasure and enthusiasm that we welcome you to OSNON Academy, a beacon of transformative education committed to shaping the leaders and thinkers of tomorrow.

At OSNON Academy, we believe in the power of education to unlock potential and create positive change. Our vision is to develop socially responsible lifelong learners, able to problem solve, think critically, and make positive changes in our global community within a safe and caring environment. We are committed to creating a vibrant school community where excellence, balance development (body, mind, soul) and curiosity exist.

As you embark on this journey with us, you'll discover a nurturing environment that goes beyond textbooks, where students are encouraged to explore, learn, and grow holistically.

In this prospectus, you'll find detailed insights into our curriculum, teaching methodologies, and the unique features that make OSNON Academy a distinctive institution.

From our dedicated teaching staff to our comprehensive approach to education, every aspect is designed to foster an environment where every child can thrive.

We invite you to explore the pages of this prospectus and get to know more about the values, vision, and mission that guide OSNON Academy. As you flip through these pages, envision the limitless possibilities that await your child within our walls.

Thank you for considering OSNON Academy for your child's educational journey. We look forward to the opportunity of being part of their growth, development, and success. Welcome to OSNON Academy, where education meets opportunity!

Sincerely,

Dr. Geoffrey Ohen
Chairman, OSNON Academy Governing Board

ABOUT OSNON ACADEMY

Osnon Academy is a free co-boarding secondary school for the brightest young minds in Uga, Anambra state. Situated in the historic town of Uga, Osnon Academy seeks to bring opportunities to communities traditionally overlooked. We believe in the power of education to empower young people and transform communities. Our resolve to create access is instrumental in creating our academy, where accessibility to education asks no financial obligation from students but to come with a curious mind. Access to quality education includes curriculum rooted in the 21st century, by challenging the status quo and engaging in access to quality education through technology.

THE OSNON ACADEMY BLUEPRINT

We aim to create a learning environment that challenges young people to think outside the box, nurturing their creativity, curiosity, and a mind geared towards innovation. With carefully conceived extracurricular and mentorship programs, our students will have access to the most brilliant minds from all walks of life, their insight and first-hand knowledge from years of practice in their given fields.

Our approach to education is holistic, based on a careful balance between intellectual heft and social skills. By building a curriculum with educational leaders, our academy aims to engage the naturally inquisitive minds of our students. We aim to create a learning environment that encourages integrity, courage, and empathy. We are committed to elevating our partner communities and society at large.

OUR PURPOSE

At Osnon Academy, we firmly believe that education is a fundamental right that should be accessible to all, regardless of socio-economic backgrounds. Our mission is to empower individuals and uplift communities by breaking the barriers that hinder educational opportunities. We understand the immense potential that lies within every child, irrespective of their economic circumstances and envision a future where no child is deprived of the chance to pursue their dreams due to financial limitations. Through our innovative and inclusive educational programs, we aim to bridge the education gap and unlock limitless possibilities within each student.

MISSION STATEMENT

To develop socially responsible lifelong learners, able to problem solve, think critically, and make positive changes in our global community within a safe and caring environment. We are committed to creating a vibrant school community where excellence, balance development (body, mind, soul) and curiosity exist.

VISION STATEMENT

To be widely known as a school that takes pride in producing leaders and thinkers.

OSNON ACADEMY VALUES

Our values are the cornerstone that has every child and staff anchored in living up to our ambition and desire to impact the world one child at a time through education.

LEGACY

At Osnon Academy, we believe that education is not just about the present; it is about the legacy we leave for generations to come. Our commitment to legacy is a promise to nurture young minds, empowering them to shape a brighter future for themselves and their communities. By instilling values of leadership, integrity, and empathy, we are creating a legacy of positive change.

TRANSFORMATION

Transformation lies at the heart of our mission. Osnon Academy is more than just a school; it is a catalyst for change. We are dedicated to transforming the lives of students and the communities we serve. Through quality education, mentorship, and a holistic approach to learning, we empower students to transform their own destinies and become agents of change.

INNOVATION

Innovation drives progress, and at Osnon Academy, we are committed to pushing the boundaries of education. Our curriculum is rooted in 21st-century principles, challenging the status quo, and embracing technology to provide innovative learning experiences. We inspire innovation in our students, teaching them to think critically, adapt, and create solutions to real-world challenges.

EXCELLENCE

Excellence is not just a goal; it is our standard. We aim to excel in every aspect of education, from academic rigor to character development. By partnering with educational leaders and offering an integrated approach to learning, we ensure that our students not only achieve academic excellence but also develop integrity, courage, and empathy. Osnon Academy is where excellence becomes a way of life.

OUR PHILOSOPHY

At OSNON Academy, our educational philosophy is grounded in a commitment to provide transformative, inclusive, and accessible education for every child, regardless of economic background. Our philosophy is driven by the belief that education is the key to unlocking the limitless potential within each student, fostering not only academic excellence but also holistic personal growth which in time will propel community transformation.

It serves as the guiding light for creating an educational ecosystem that empowers, inspires, and prepares students for a future of endless possibilities. We invite you to be a part of this transformative journey towards a brighter and more equitable future.

EDUCATION FOR ALL

At OSNON Academy we firmly believe that every child deserves access to quality education. Our tuition and boarding-free scholarship program is a testament to our commitment to breaking down barriers and ensuring that no child is left behind.

INCLUSIVITY

We celebrate diversity by creating an inclusive learning environment where students are empowered to be their authentic self, learn and appreciate the differences they bring to make our school amazing. Inclusivity is at the heart of our community, fostering mutual respect and understanding.

SOCIALLY CONSCIOUS LEADERSHIP

We are committed to building and cultivating young people that see themselves as leaders capable of creating large scale change that transforms Society for good.

GLOBAL CITIZENSHIP

OSNON Academy aspires to nurture global citizens who are socially responsible and actively contribute to positive changes in our interconnected world. We instill values of empathy, compassion, and a sense of responsibility towards the global community.

HOLISTIC DEVELOPMENT

Our philosophy emphasizes a holistic approach to nurturing not only intellectual capabilities but also emotional intelligence, creativity, and physical well-being. Beyond imparting academic knowledge, our goal is to equip students with the skills, values, and confidence needed to navigate a rapidly changing world, make informed decisions, and contribute meaningfully to society.

EXCELLENCE

OSNON Academy is committed to excellence in all aspects of education. We set high standards for academic achievement, teaching quality, and personal conduct, inspiring students to strive to be the best and reach their full potential.

ADAPTABILITY

Recognizing the dynamic nature of the world, OSNON Academy promotes adaptability and a growth mindset. We encourage students to embrace challenges, learn from failures, and continually evolve as lifelong learners.

SELF-LEARNING

Our educational philosophy encourages self-learning, fostering curiosity and a passion for knowledge. We aim to produce graduates who are not just academically proficient but also capable of independent and critical thinking.

SCHOLARSHIP PROGRAM

Our Scholarship program prioritises children from low-income families who have shown academic excellence, ensuring they have access to quality education, regardless of financial constraints.

The Tuition and Boarding-Free Scholarship Program at OSNON Academy embodies our commitment to breaking down socio-economic barriers to education, creating a pathway for every child to realize their full potential. We invite individuals and organizations to embrace this opportunity and join us on a journey of educational empowerment and community development.

PRINCIPLES OF THE SCHOLARSHIP

COMPREHENSIVE COVERAGE

The scholarship program at OSNON Academy extends beyond tuition fees, covering all associated costs, including boarding, textbooks, uniforms, and other essential educational materials. This comprehensive coverage ensures that no financial burden is placed on the students or their families.

MERIT-BASED CONSIDERATION

While financial need is a primary consideration, OSNON Academy also recognizes and values academic potential. Merit-based considerations are integrated into the scholarship selection process to identify students who show exceptional promise in academics and other areas.

EQUAL OPPORTUNITIES

We offer equal opportunities for both girls and boys from low income communities creating an inclusive environment that allows them to thrive.

NEED-BASED ELIGIBILITY

The scholarship program is designed to prioritize students with demonstrated financial need. Through a fair and transparent evaluation process, we identify those who would benefit most from the scholarship, allowing us to target our resources effectively.

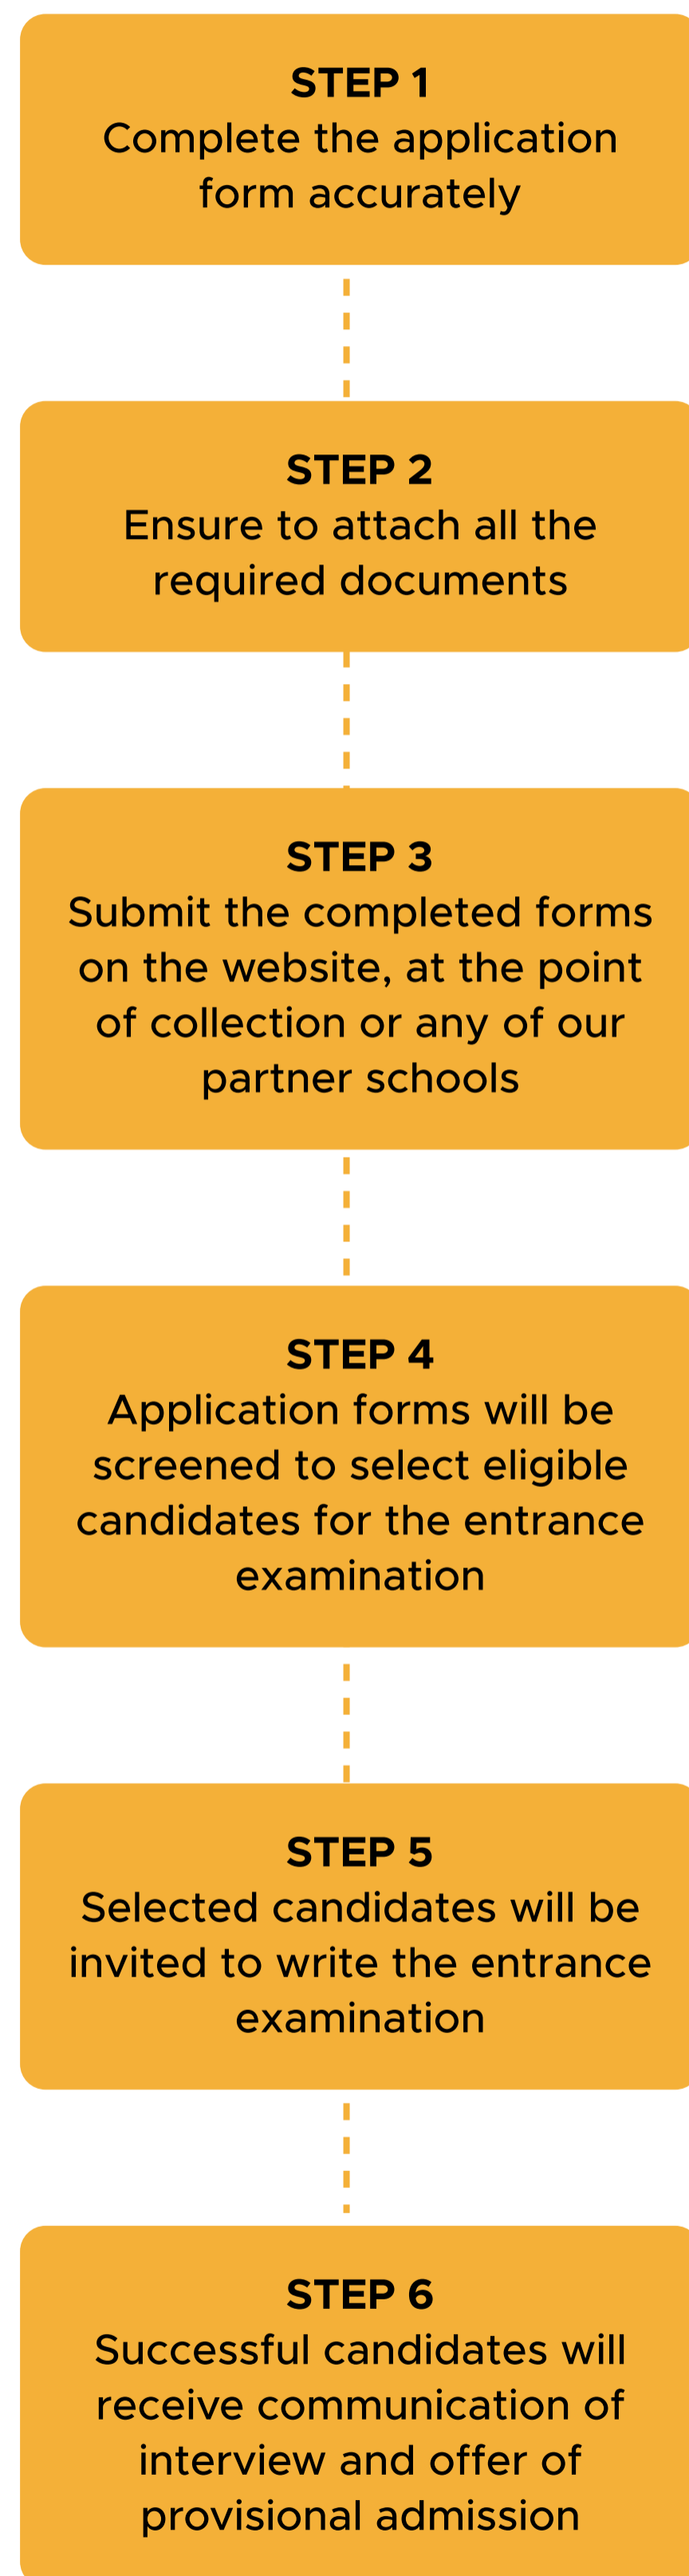

COMMUNITY INVOLVEMENT

OSNON Academy actively engages with the local community to identify and reach deserving students. We collaborate with community leaders, local organizations, and schools to ensure that information about the scholarship program are disseminated widely, reaching those who stand to benefit the most.

360°GROWTH

We challenge and inspire our students, nurturing critical thinking, problem-solving, and a deep love for learning through mentorships, one on one coaching and other inspirational and motivational programs.

ADMISSION PROCESS

ACADEMIC PROGRAMS

The school curriculum is structured to raise students who will excel academically and be equipped with skill sets to compete globally with other students. It is structured to identify the talent of the students and nurture it, equip them with life skills and support them to excel through mentoring and internship programs.

The academic curriculum consists of Nigerian and British Curriculum. There are about 18 subjects on offer including 5 languages. It boasts of variety of enrichment subjects that widens the horizon of the students. We have experienced and qualified teachers to facilitate delivery and support students' learning process.

With a broad range of skills and extracurricular activities, learning continues outside the classroom. This is to help the students develop a range of skills that will aid their success in personal and professional lives. Our mentorship programs support the students in attaining their best in every aspect of the school curriculum. COMMUNITY ENGAGEMENT

At OSNON Academy, we recognize the profound impact that a school can have on the broader community. Our commitment to community engagement extends beyond the walls of the classroom, emphasizing collaborative efforts, social responsibility, and positive contributions to the local community. We believe in creating a symbiotic relationship where the school and the community mutually benefit.

COMMUNITY IMPACT

Infrastructure Development

OSNON Academy is committed to contributing to the physical development of the local community. Our school infrastructure projects have seen and will continue to see the engagement of locals which would increase employment opportunities within our Partner Community. We also look forward to opening access to our school's infrastructure to the local community for positive social programs on completion of all phases.

Health and Wellness Initiatives

We are actively collaborating with local health organizations to support the health of our staff and students and run health awareness and education programs to benefit our students and the community around us.

MEASURING IMPACT

Impact Assessment

We have created a framework that allows us to regularly assess the effectiveness of our academic and non-academic programmes to ensure that we meet key milestone goals for the growth of our students.

Feedback & Collaboration Forums

We have a regular feedback mechanism in place for students, parents, partners, stakeholders and the community that ensures we are continuously improving and adapting to the needs of our students and the ever-changing World.

FACILITIES AND INFRASTRUCTURE

At OSNON Academy, we recognize that a conducive learning environment plays a pivotal role in shaping the educational experience. Our commitment to providing quality education is reflected in the state-of-the-art facilities and infrastructure that enrich the learning journey for every student. Our Phase I project has delivered; Classrooms, Staffrooms, Principals office and administrative office, Library, Sick Bay, Boarding Hostels (Male and Female) with adjoined House Master and Mistress Accommodation, Nurses Accommodation, Dining Hall and Kitchen.

CLASSROOMS

MODERN LEARNING SPACES

OSNON Academy boasts modern classrooms designed to foster an interactive and collaborative learning environment. Each classroom is equipped to facilitate effective teaching and learning.

OPTIMIZED CLASS SIZES

Our class sizes are fixed at 16 students per class to maintain an optimal student-to-teacher ratio to ensure personalized attention, fostering meaningful interactions between educators and students. This approach enables a more focused and tailored learning experience.

RECREATIONAL AREAS

INSPIRING RECREATIONAL SPACES

Beyond academics, OSNON Academy places importance on the holistic development of students. Recreational areas, including sports fields and play spaces, are provided within the school's site plan which will be delivered in phases. There are avenues for physical activity, team sports, and leisure provided within the school's plan.

ART AND CULTURAL SPACES

Art and cultural spaces are integrated into our facilities plan to nurture creativity and self expression. These spaces will serve as platforms for artistic endeavors, performances, and cultural events.

TECHNOLOGY INTEGRATION

TECHNOLOGY WORKSHOPS

Regular technology workshops and training sessions will be conducted to empower both students and educators with the skills necessary for effective technology use. This ensures that everyone is proficient in leveraging technology for educational purposes.

DIGITAL CLASSROOMS

OSNON Academy embraces technology integration with digital classrooms which will be equipped with smart boards and audio-visual aids. This ensures dynamic and engaging lessons, incorporating multimedia resources to enhance the learning experience.

E-LEARNING PLATFORMS

The school is looking to also utilize e-learning platforms to supplement classroom teaching. These platforms provide access to a repository of educational materials, facilitating blended learning approaches that cater to different learning styles.

At OSNON Academy, our commitment to providing a conducive and technology-enhanced learning environment is evident in our carefully designed facilities. We believe that well-equipped spaces foster curiosity, creativity, and a passion for lifelong learning.

OUR MILESTONES

STUDENT AND INFRASTRUCTURE GROWTH

Student Growth – Next 3 Years

Year 1: Academic Session 2023/2024

We welcomed our first batch of 28 students (15 girls and 13 boys) on October 7th 2023. This was a major achievement since we started this project two years ago. To provide more opportunities for low-income kids, we plan to add 32 new students to Junior Secondary School One (JSS1) every year. This means we will have 60 students next year, 92 the following year, and so on. This gradual growth strategy allows us to focus on each student's progress and create a positive learning environment.

Current Student Population: 28

Infrastructure Growth – Next 3 Years (Phase 2 and 3)

Phase 1 - Current Year: 2023/2024

COMPLETED

Completion of School Staff Quarters (Temporary Conversion as):

- Two Classrooms
- Staffrooms
- Principal's Office
- Administrative Office
- Library & Reading Room
- School Sick Bay
- Two Boarding Hostels (Male and Female)
- House Master and Mistress Accommodation
- Nurses Accommodation
- Dining Hall and Kitchen

OUR MILESTONES

STUDENT AND INFRASTRUCTURE GROWTH

Infrastructure Growth – Next 3 Years (Phase 2 and 3)

Phase 2 - Year 2: 2024/2025

- Additional Boarding Facilities
- Additional Administrative Offices
- Additional Classrooms
- Additional staff Accommodation
- Expanded Laboratories

Phase 3 - Year 3: 2025/2026

- Multipurpose Hall
- Expanded Library Facilities
- Additional Dormitory/Classroom Blocks
- Increased Boarding and Classroom Capacities

These infrastructure plans aligns with our commitment to providing a conducive learning environment, ensuring that the physical facilities meet the growing needs of the student population and supports holistic learning curriculum. The phased approach allows for effective planning, construction, and utilization of each facility.

Our aim is to create a well-rounded educational institution that caters to the holistic development of our students while continually improving and expanding our infrastructure to meet the demands of the future.
