- CAO Digital Walk-ins (Late Applications) open until February 28 for selected programmes

Keeping you on the loop with all things HABandBF!

We are thrilled to bring you the latest updates as we embark on this exciting journey of positive change!

With the launch of our impactful initiatives for the new year we are creating opportunities and building brighter futures to make a meaningful difference in the Valley of a 1000 Hills.

**"Education is the most powerful
weapon which you can use to
change the world" – Nelson Mandela**

***Donate today and be the reason
someone achieves their goals!***

Hillcrest Advice Bureau has been welcomed as a partner of GlobalGiving.

Tertiary Fund

The new academic year is around the corner and our beneficiaries are ready to take the next step towards their dreams. With your support, we can make it happen!

Every contribution to our Tertiary Fund helps cover tuition, books, and essentials for students in need.

A better South Africa, One Degree at a time.

The Advice Bureau

We are excited to announce that the Advice Bureau has a professional in legal advice joining the team, Nomalungelo Ntombela. Our Advice Bureau specializes in solving social and legal issues. If you reside within the parameters of the Valley of a 1000 Hills and you are unable to advocate for yourself in accessing your rightful grant, pension and other social and legal advice we have two qualified Paralegals who have the assistance of an Attorney to help you solve your issues. We are located at African Gospel Church, Shayamoya Road, Qadi.

Schools Fund

Empowering education, one uniform at a time. The HABandBF kicked off the new school term with a uniform initiative to help some of the learners in the Valley of a 1000 Hills. Understanding the financial challenges many families face especially in the beginning of each year we worked closely with teachers to identify children in desperate need of essential uniform items to help build brighter futures.

CAO Project

With new members on our team, Nontokozo Gwala and Siyabonga Sishi, we are pleased to announce that our CAO first term workshops are underway. The workshops aim to equip matric learners with essential knowledge about their career paths, helping them navigate their journey towards higher education and career success. So far we have visited three schools and we are yet to visit other schools within the parameters of the Valley of a 1000 Hills to help them unlock their potential so that they can dream big despite the challenges they face.
