

**Project Overview: “Paws For a Cause”**

**Campaign Goal:** \$50,000

**Objective:** To rescue and provide essential care for abandoned and neglected pets in Lebanon during the ongoing conflict, ensuring their survival and well-being.

**Target Beneficiaries:** Abandoned and injured pets (dogs, cats, and other animals) left behind in conflict zones across Lebanon.

**Project Description**

In Lebanon's conflict, countless pets are suffering due to neglect and a lack of resources. Our project aims to address this urgent crisis by providing essential services to these vulnerable animals. We will offer food, clean water, medical care, and shelter, ultimately working to rescue as many pets as possible.

**Key Activities**

- 1. **Emergency Rescue Operations:**
  - o Collaborate with local shelters and veterinarians to locate and rescue abandoned animals.
- 2. **Provision of Essential Resources:**
  - o Distribute food and clean water to at-risk animals.
  - o Provide medical care for injured and traumatized pets.
- 3. **Shelter Support:**
  - o Support local shelters in need of supplies or minor repairs.
- 4. **Community Engagement:**
  - o Raise awareness about responsible pet ownership and promote adoption.

**Budget Overview**

<b>Category</b>	<b>Estimated Cost</b>
Emergency Rescue Operations	\$15,000
Food and Water Supplies	\$10,000
Medical Care	\$15,000
Shelter Support	\$5,000
Community Engagement	\$3,000
Administrative Costs	\$2,000
<b>Total</b>	<b>\$50,000</b>

### **Expected Outcomes**

- **Immediate Relief:** Provide food and medical care to at least 1,000 animals in the first year.
- **Rehabilitation:** Heal and rehabilitate injured animals, enabling their successful adoption.
- **Community Impact:** Raise awareness and promote responsible pet ownership, fostering a compassionate community.

### **Conclusion**

Your support is vital to making this project a reality. By contributing to the “Paws For a Cause” campaign, you are helping ensure that vulnerable pets in Lebanon receive the care and love they desperately need.
