WINTER NECESSITIES FOR TAIWANESE CHILDREN

Our 12th annual year of delivering winter necessities and gifts to indigenous families and children in Taiwan was a wonderful success. While our fundraising started a bit slow, we were fortunate enough to have local support that put us over the top.

Our long term commitment has never wavered; we have been able to give back to the community while providing support and workshops for them all year round. We kicked off our reindeer deliveries in the mountains of Hsinchu, working once again with n Elementary School and the Catholic Church to source families and children that would benefit the most.

Kids filled out their wishlists in advance and we had angels that sponsored individual children, generous donors from Santa Jia-Xin, Global Giving,

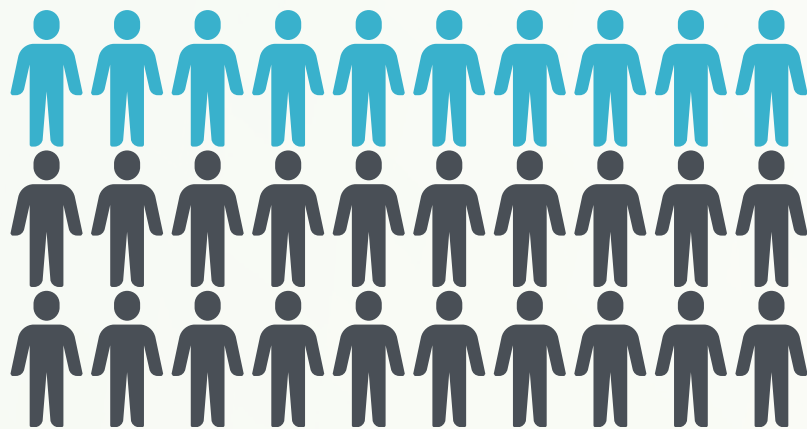

and Magpie Entertainment that filled the remainder of wishlists, plant based staples, necessities, for families.

We were very blessed to be able to have volunteers assist us with using upcycled gift wrapping for close to 300 gifts (including warm jackets and clothing). This year was a resounding success and we look forward to our 13th year!

THANK YOU!
