Existing Challenges:

d

l

b

- Limited funds for setting up and hiring ICT training and resource centers, tutors wage, and monitoring tools.
- Slow decision making by authorities in providing secure community ICT Recreation/meeting centers to facility faster setting up for ICT resource center.
- Ineffective ICT devices-need more new devices to facilitate effective trainings.
- Illiteracy of target persons-they are slow in conceptualization of ICT knowledge.
- Communication barriers with the target groups-school dropouts.
