

## Focus on Dropout Children – Stories of Reconnection

### **Shakeel (Grade 5):**

Initially reluctant to attend school. Through consistent dialogue with teachers and his father, he was motivated to return. Now, Shakeel attends regularly and actively participates in both classroom learning and creative activities.

### **Priyanka Singh (Grade 4):**

Absent for three months due to family challenges. After regular teacher follow-ups and counseling sessions with parents, she has resumed schooling and shows renewed enthusiasm in lessons and art sessions.

### **Rifath (Grade 3):**

Discontinued schooling for two months under peer influence. With supportive engagement from teachers and his grandmother, he has returned to school and now participates wholeheartedly in academics and co-curricular activities.
