

PeaceJam Manchester Slam

Saturday 21st March 2026

We want to hear from YOU!

Our Q & A panels have a very important speaker: YOU! Encouraging our youth attendees to ask a question to our panel before taking a turn in our 'youth hot seat' as a member of the panel.

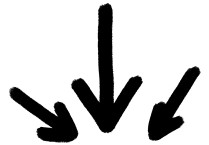

What are 'Family Groups'?

Family Groups are mentoring sessions facilitated by near-peer university student mentors. They create a safe space for youth to engage in challenging discussions around nonviolence, peacebuilding, social inclusion and human rights.
