ABOUT ALEMNI

Vision

Together we create a better lifestyle and foster a prosperous environment for North Lebanon youths.

Mission

Our mission is to empower ambitious university students by providing scholarships and development programs that promote their values, enhance life skills, and cultivate self-building.

Through our initiatives, we aim to equip students with the tools they need to thrive in their society and make meaningful contributions

ABOUT ALEMNI

Our Values

Transparency: We believe in openness and honesty, ensuring that our actions, processes, and decisions are clear and easily understood. We strive to maintain transparent communication with our stakeholders, fostering trust and accountability.

Contemporary: Embracing the spirit of cutting-edge approaches, we offer scholarship and program opportunities that are aligned with the current needs, aspirations, and advancements of university students, empowering them to thrive in a rapidly evolving world.

Excellence: We are committed to excellence in all that we do. We set high standards for ourselves and strive for continuous improvement in our programs, services, and operations. Attention to detail, quality, and the pursuit of perfection underpin our commitment to delivering the best possible outcomes for the students we serve.

Care: Our commitment to care extends beyond financial support; we genuinely care about the well-being and holistic development of the students we serve, offering mentorship, guidance, and a nurturing environment to ensure their success.

Reform: Through our actions, we aim to bring positive and transformative change to the lives of university students and the wider community.

STORY OF ALEMNI

The Alemni Foundation was founded in 2013 to address the challenges that university students face in North Lebanon. Our mission is to tackle the underlying causes of the aggravated crises by providing students with the resources they need to succeed.

Alemni's work goes beyond providing scholarships. We also strive to create a supportive and nurturing environment for our students. We offer mentorship programs, career guidance, and professional development opportunities to ensure their holistic growth and success. We believe that by equipping them with not only academic knowledge but also life skills and values, we are preparing them to become resilient, responsible, and compassionate leaders of tomorrow.

OUR PROGRAMS

Life Coaching

Our focus is to equip students with essential skills that prepare them for employment and enhance their effectiveness in society. Through targeted programs, we aim to cultivate their abilities in areas such as communication, critical thinking, problem-solving, and teamwork.

Mindful Reader

We believe in the power of knowledge and the transformative impact of reading. Our program aims to educate students and broaden their horizons through reading a diverse range of books. By encouraging reading habits and promoting intellectual curiosity, we empower students to expand their understanding of the world and develop a lifelong love for learning.

Social and Volunteering Activities

We foster a sense of initiative and community engagement among students through various youth initiatives. These activities provide them with opportunities to develop leadership skills, work collaboratively, and give back to society.

Capacity Building

We acknowledge the fundamental role that manners and values play in shaping a thriving society. With utmost importance, we focus on strengthening students' understanding of cultural values, morality, and history. Through engaging lessons and thoughtful discussions, we empower students to develop a solid foundation of virtues, ethics, and etiquette. Our program enables them to embrace responsibility and compassion, fostering meaningful interactions with others.

Internship

We provide practical opportunities for our Alumni and current university students through guidance and hands-on training in real working environment.

OUR PROGRAMS

Partnerships

We have formed valuable partnerships with DOT Lebanon who offer digital skills courses to Alemni students.

Additionally, we collaborate with Ajwad to provide a Mini-Teaching Diploma training program for students who aspire to become teachers.

These collaborations enable us to expand our offerings and empower our students with the necessary skills and knowledge to thrive in their chosen fields.

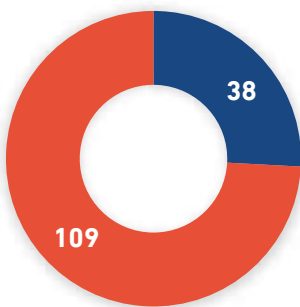

STATISTICS & FINANCIALS

Since its establishment, ALEMNI has made a significant impact by providing education to over 1000 students, extending financial support to 700 individuals through monthly stipends, and upskilling 775 young individuals.
