SOLIDARITY BUILDS THE FUTURE

Cristóbal Sánchez, a volunteer from Spain, organized a successful party in Spain. The funds are earmarked to build a decent kitchen and dining room for the children of our foundation. The initiative received broad support from El Gastor, its volunteer mayor, and the general public.

"Sustainability and nutrition with a chicken coop"

Hogar Luceros del Amanecer continues to strengthen its sustainability program with the creation of a chicken coop. This improves the children's nutritional needs. The project has the support of parents, staff, the Semillas de Amor Foundation, and VICS..

"KENOLI SUPPORTS PROGRAMS AT HOME LUCEROS DEL AMANECER "

Lic. Balvina, a representative of Kenoli, made a three-day visit to the Hogar Luceros del Amanecer to accompany the programs that the organization supports, focusing on the stimulation of children with "One Life at a Time" within a framework of mutual learning.

"Joyce learns about progress at the Luceros del Amanecer Home Foundation."

Joyce, director of VICS, visited the Luceros del Amanecer Home Foundation for three days. She verified the progress and spent time with children, staff, and beneficiaries of "One Life at a Time." Her continued support has been essential to the foundation.

" LUCEROS DEL AMANECER HOME
REACTIVATES AGREEMENT WITH THE
UNIVERSITY OF BARCELONA "

The Hogar Luceros del Amanecer Foundation reactivated its agreement with the University of Barcelona, Spain, to host students for volunteer internships, strengthening the mutual collaboration between the two institutions..

" CLUB SAN AGUSTÍN SUPPORTS CHILDREN'S NUTRITION "

High school students from the San Agustín Club in Managua visited our foundation. They shared food supplies to support children's nutrition, clothing, and organized recreational games. The children thoroughly enjoyed this day of solidarity and recreation.

" FAREWELL TO INTERNATIONAL VOLUNTEERS "

Francisca, from Germany, and Jessica, from Portugal, concluded their month-long volunteer experience at the foundation. During this time, they supported the children with computer classes, English classes, tutoring, and recreational activities. The children and staff organized a heartfelt farewell as a token of their affection..

"HOME PARTICIPATES IN KENOLI REGIONAL FORUM"

Hogar Luceros del Amanecer participated in the fifth regional forum of Kenoli partner organizations.

The meeting, held in San Salvador, facilitated discussion on topics of interest to attendees..
